Dear Mr. Hoover:

I recently received a pamphlet listing about 200 people connected with the entertainment business and stating that they are either Reds or Fellow Travelers. No doubt, you know about this pamphlet. It is put out by the Cinema Educational Guild, Inc., P. O. Box 46205, Hollywood 46, California.

I would be interested in your comments.

Mr. J. Edgar Hoover  
F.B.I.  
Washington, D.C.

Dear Sir:

I have just read a publication of the Cinema Educational Guild, Inc. P. O. Box 46205, Hollywood 46, California, in which they list 200 well-known people in the entertainment profession who are reported to have pro-communist records according to documented records in the files of the House Un-American Activities Committee.

A few of those listed is as follows:

Lucille Ball	Chet Huntley
Joan Bennett	Burl Ives
Marlon Brando	George Jessel
Eddie Cantor	Peter Lorre
Bennett Cerf	Groucho Marx
Joseph Cotton	Henry Morgan
Howard Da Silva	Edward R. Murrow
Olivia De Havilland	Larry Parks
Kirk Douglas	Gregory Peck
Howard Duff	Vincent Price
Douglas Fairbanks, Jr.	Frank Sinatra
Henry Fonda	Franchot Tone
Van Heflin	Orson Wells
Lena Horne	Keenan Wynn
<u>WRITER, DIRECTORS, PRODUCERS, COMPOSERS</u>	
Leonard Bernstein	Nat Hiken
Ira Gershwin	George S. Kaufman
Oscar Hammerstein II	Ring Lardner, Jr.
Dashiell Hammett	
Ben Hecht	

I would like to know if these people are pro-Communist and if so, what I as a private citizen and others who feel as I do, can do to arouse those with whom we come in contact, to the dangers of communism. I am especially concerned about a number of appointments the Kennedy administration has made to the Cabinet and State Dept.

Any information you can furnish will be greatly appreciated.

Dear Mrs. [REDACTED]:

Your letter of March 3, 1961, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the FBI is an investigative agency of the Federal Government and, as such, does not make evaluations or draw conclusions as to the character or integrity of any organization, publication or individual. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or that we do not have data in our files relating to the subject of your inquiry.

The pamphlet to which you refer in your communication has been brought to our attention on a number of occasions. I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to information contained in the files of this Bureau.

Enclosed is some material dealing with the general subject of communism which may be of interest.

Sincerely yours,

J. Edgar Hoover

Dear Sirs:

I travel over a large territory in these middle states and find that a lot of people are becoming very uneasy about the communistic threat and we wonder what we can do ~~do~~ to help combat the communists.

I picked up a little leaflet the other night in a hotel and am sending it along. Could I have a little rundown on the truthfulness of it or could it be for smear purposes? If it is the truth is this a good way to inform the people?

Yours very truly,

I am, however, becoming alarmed over certain statements which are being made by many Anti-Communist groups. The following terms are becoming more and more synonymous with RED and FELLOW TRAVELLER:

Your letter was received on March 6, 1961, and your interest in writing is appreciated.

I am enclosing material regarding the general subject of communism, and you will notice that some of these reprints give suggestions for combating this atheistic menace. I cannot, however, make any specific recommendations to you.

Mr. J. Edgar Hoover  
Federal Bureau of Investigation  
United States Department of Justice  
Washington, D.C.

Dear Mr. Hoover:

A small group of students in our immediate community have recently started a student study group for the primary purpose of learning how to properly combat communism in our own community. We definitely feel we do not have enough knowledge and education along this line and in order to fight it, we must understand more about its methods of infiltration in schools, churches, and community organizations.

We are aware of the dangers of talking to "just anyone" about our desires and feel that direct suggestion and help from you and your department can start us and keep us on the right track. We do have adult sponsors and are not haphazardly plunging into the idea without deep thought and consideration. We want to live in our wonderful America as a free-born people but are fully aware of the dangers of ignoring the creeping menace of communism.

Will you please help us and tell us who we can contact in our area that will give us proper guidance toward our goal? Any pamphlets literature or contacts that you can give us will be greatly appreciated.

Some immediate inquiries we have are, how authentic are the materials put out by the Cinema Educational Guild, Inc., P.O. Box 46208, Hollywood, 46, California? Also, does the magazine U.S.S.R. Illustrated Monthly, 1706 Eighteenth Street, N.W., Washington 9, D.C., come to the administrators of our public high schools free gratis or does it have to be subscribed to?

Our sincere thanks for these answers and any other suggestions you can give us.

Respectfully yours,

March 15, 1961

Mrs. [REDACTED]

Dear Mrs. [REDACTED]:

Your letter dated March 7, 1961, has been received.

Although I would like to be of service, information in FBI files is confidential and available for official use only, due to regulations of the Department of Justice.

The pamphlet you mentioned has been brought to this Bureau's attention in the past, and you will note that it contains a statement to the effect that the procommunist records of the individuals named therein are documented in the files of certain Government investigative agencies. I can assure you that the Cinema Educational Guild, Inc., and its national director, Mr. Myron C. Fagan, have not had access to FBI files in the preparation of their publications.

In response to your other inquiry, the film, "Operation Abolition," is sponsored and distributed by the House Committee on Un-American Activities, and the FBI took no part in its preparation. For this reason, I am unable, as a matter of policy, therefore, to comment relative to its contents. I am enclosing a copy of "Communist Target--Youth," which is a detailed account prepared by this Bureau of the highly organized tactics employed by the Communist Party in the California demonstrations against the House Committee. I am also sending you other publications on the general subject of communism which you may find of interest.

To receive a copy of the list of organizations which have been designated by the Attorney General as coming within the scope of Executive Order 10450, your request should be submitted to the Subversive Organizations Section, Internal Security Division, Department of Justice, Washington 25, D. C.

RE: Red Stars -- No. 3

"The Reds are back in Hollywood"

Dear Mr. Hoover:

I am greatly concerned with the Communist menace in our communications medium as well as the education field and others. We are desperately trying to substantiate and find an authoritative source on which we can rely to separate facts from propaganda.

Is it possible for you to give us some sort of a report on the organization, "Cinema Educational Guild, Inc., P. O. Box 46205, Hollywood 44, California"? Is their report "Red Stars -- No. 3" reliable?

Is there any material in your files that can be made available concerning the film "Operation Abolition"?

We would appreciate any advice you might give us in how to evaluate material and publications of this nature.

Sincerely,

The pamphlet names numerous Hollywood personalities as being "Reds." [redacted] wanted to determine if it was true that these individuals had communist connections. Bufiles contain no information identifiable with [redacted]. The Cinema Educational Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Fagan has, in the past, attempted to use the Director's name in furtherance of his programs and it has been necessary, on several occasions, to contact him and request that he refrain from mentioning the FBI in any manner.

Dear Mr. Rogers,

I am very apprehensive about communism in our country.

I enclose herein a tract which contains the names of some HOLLYWOOD actors, actresses, and playwrights which said tract alleges are possessed of communists sympathies.

Please check the names on this tract, then write me immediately if said tract is correct about their communist sympathies and upon receiving that information, I shall START IMMEDIATELY AN ACTIVE ANTI-COMMUNIST CAMPAIGN. I SHALL APPRECIATE IT IF YOU WOULD "GET ON FIRE" ABOUT COMMUNISTS: FOR IF OUR COUNTRY EVER FALLS ( AND GOD FORBID) IT WILL BE THROUGH COMMUNIST INFILTRATION...OR A TROJEN HORSE.

Please let me hear from you PERSONALLY

Washington, D.C.

Dear Senator:

Re: Communists in  
the Entertainment Media

I am very concerned about communists in the entertainment field...particularly since I have seen a phamplet published by Cinema Educational Guide, Inc., Hollywood, California. This phamplet lists many prominent T.V. commentators and actors as known communists or fellow travelers...all facts documented by Federal and California government committee files... such as the House Un-American Activities Committee.

The list includes: Janet Huntley, Fredric March, Bette Davis, Joseph Cotten, Edward R. Murrow, George Gessel, Burt Lancaster, Henry Fonda....and more than a hundred others.

I want to know if this organization is an authoritative one, and if this list could be considered bonefide.

I have written to the F.B.I. concerning this...their reply was very disappointing...yes they knew of the phamplet and had had many inquires....that was all they said...I believe the American public has a right to know the facts...

Please give this matter your attention, and I want to thank you very much for any information you may give me.

Have you heard of the work that Brawley School District is doing to instill love of country and Americanism, and patriotism, and in the upper grades how to recognize communism for what it really is....We have a very commendable program going...just started... The Supt. of the district is certainly trying. As a mother I want to do all I can too.

If this list is bonefide, I want to distribute it at the PTA meeting.

Sincerely,

Here you have the names of 200 of the most rabid REDS and Fellow-Travelers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

## AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the House and State Senate Fact-finding Committees and in Government investigating Agencies.

RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the  
Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT  
OF YOUR (TV)  
LIVING ROOMS —  
OUT OF RADIO —  
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

62-87267-425

ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. The Hollywood Moguls frantically denied everything. That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook! — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the Charlie Chaplin pictures are on the Screens again! — and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

### TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes ! ! . . .

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler, U S Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

### Here is How YOU Can Drive Them Out:

Read the following list . . . They are the, best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . Hit the pocketbooks of the Sponsor ! ! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

Dear Mrs. [REDACTED]

Your letter postmarked March 8, 1961, with enclosures, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice and are available for official use only. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or that we do not have data in our files relating to the subject of your inquiry. The pamphlets you forwarded have been brought to our attention on a number of occasions. One indicates that data found therein is documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to the files of this Bureau.

Enclosed is some material dealing with the general subject of communism which may be of interest. I am returning the pamphlets and wish to thank you for bringing them to my attention.

Expose of Soviet Espionage  
One Nation's Response to Communism

NOTE: Enclosures were Cinema Educational Guild pamphlets.  
The Cinema Educational Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Myron C. Fagan, its national director, has, in the past, attempted to use the Director's name in furtherance of his programs, and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner. Dear Sir:

Recently I came into possession of the enclosed pamphlet which I have marked as #1. Thereafter, I ordered 100 of these, as we are organizing a group to fight communism here in Miami.

Subsequently I received the remainder of the enclosed literature. I'm sure you can understand my shock in reading these bulletins. We are at a loss to know "who" or "what" element this group is representing, and also, what our reaction should be.

We are trying to be loyal Americans, and fight Communism, but I'm afraid we need to know more than we do at the moment.

May we please hear from your office regarding the status of this so-called anti-communistic group, Cinema Educational Guild, and Myron Eagan, who appears to be the president.

I enclose.

Also, will you please return the literature that

Thank you for your attention to this matter.

Mr. J. Edgar Hoover, Director  
Federal Bureau of Investigation  
Washington, D. C.

Dear Mr. Hoover:

I have a little folder published by CINEMA EDUCATIONAL GUILD,  
P. O. Box 46206, Hollywood 46, California, listing some of  
the best known public men and women in America as Communists  
and Fellow Travelers. The tract is entitled "Red Stars--No.3"  
and was published in 1960. The tract declares: "...every  
individual named in this list is documented in the files of  
the House Un-American Activities Committee, in the California  
State Senate Fact Finding Committee, and other Government  
investigating agencies."

I am a bit confused. I have quoted in the past from similar  
tracts and later found that I was not fully informed. As a  
minister of the gospel I could have been enlisted in some  
front organization with a fine humanitarian name. Fortunately,  
I have not. I am greatly disturbed about the Communist threat  
in our own country. Seems to me that too many good men are  
getting into these front organizations, and too many others  
are complacent about the whole matter.

Would you please advise as to above named guild and also give  
me such authentic information as you have on men and women in  
public life who lean toward Communism to the degree of being  
a threat.

Sincerely yours,

Mr. J. Edgar Hoover  
Director, FBI  
Washington, D.C.

Dear Mr. Hoover:

Enclosed are two circulars which were handed to me during a recent discussion on Communism. I definitely feel the information in these circulars need explaining--for my own peace of mind.

I cannot believe that the highest esteemed officials in this wonderful country of ours are capable of doing what is stated in the circular regarding Justice Earl Warren and Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

I am of the opinion that the Communist Party is using this method to cause distrust of all that we hold dear and toward those in whom we have implicit faith.

Also regarding the list of Red Stars in Hollywood--just how do these people arrive as to what makes these famous people turn to Communism when they have nothing to gain by doing so? There is no explanation as to what these people did--just insinuations. Surely all of these people have acquired fame and fortune in the United States so why would they turn against it?

I am writing this letter to you to satisfy my own personal doubts as to whether any of these statements are true. Since I have never heard of CINEMA EDUCATIONAL GUILD, INC. before, perhaps you can tell me what this organization is.

So many of us realize that communism is infiltrating into our schools and every day lives and anything each of us does to combat it the faster we will drive the Party out. If so many people believe in Communism, why don't they go to Russia or to a country that live by that type of government.

Since I feel that these articles are methods of creating distrust within each of us I feel that you would send me the true story behind all this.

Trusting to hear from you soon, I am

Sincerely, MAR 21 1961

Here you have the names of 200 of the most rabid REDS and Fellow-Travelers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

#### AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

Compiled 1960  
RED STARS— No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the  
Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT  
OF YOUR (TV)  
LIVING ROOMS —  
OUT OF RADIO —  
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. The Hollywood Moguls frantically denied everything. That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook! — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the Charlie Chaplin pictures are on the Screens again! — and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

### TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes ! ! . . .

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

### Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

Mr. [REDACTED]

Dear Mr. [REDACTED]

Your letter postmarked March 1, 1961, with enclosures, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the FBI is an investigative agency of the Federal Government and, as such, does not make evaluations or draw conclusions as to the character or integrity of any organization, publication or individual. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or that we do not have data in our files relating to the subject of your inquiry.

Some pamphlets distributed by the Cinema Educational Guild, Inc., indicate that statements found therein are documented in the files of Government investigating agencies. I can assure you that neither the organization nor its national director, Myron C. Fagan, has ever had access to information contained in the files of this Bureau. With regard to your inquiries concerning the Connally Amendment, may I suggest that you contact the Librarian of Congress, Library of Congress, Capitol Hill, Washington, D. C., or your local library as they may be of assistance to you.

Enclosed is some material dealing with the general subject of communism which may be of interest to you, and I am returning the pamphlets which you sent. I wish to thank you for bringing them to my attention.

Sincerely yours,

J. Edgar Hoover

The Cinema Educational Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Myron C. Fagan, its national director, has, in the past, attempted to use the Director's name in furtherance of his programs, and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner. Dear Sir:

*INC.*  
Enclosed please find two tracts published by Cinema Education Guild in Hollywood, California. These were brought to my attention by a man in this community who is vitally interested in fighting communism and seems to be well informed on the subject.

Frankly, to say that I am shocked by this information is putting it mildly. If these things are true, why in heaven's name isn't something done about it? I feel that we certainly have courageous leaders in congress who would be willing to publicize these matters if they felt they had public support. Believe me, if you confirm the facts contained in these tracts, I will spare no time nor effort; or even expense, inasmuch as possible, to drum up all the public support that I can. If the thing stated in these tracts are not true, then I strongly suggest that proper action be taken to restrain Cinema Education Guild from using the mails to distribute such information.

May I ask a few minutes of your valuable time for answers to the following questions:

1. What is the Connally Amendment?
  - a. What did it amend?
2. Who wants the Connally amendment repealed? and Why?

If it is not asking too much, I would like to have from you, a detailed analysis of these two tracts for possible use in Colorado Farm Bureau, Colorado Cattleman's Association, and various service clubs in this part of the state.

Very Respectfully,

[Redacted Signature]

Communist Target--Youth  
One Nation's Response to Communism

NOTE: Correspondent is not identifiable in Bufiles. Material forwarded by correspondent were typical pamphlets disseminated by the Cinema Educational Guild, Inc. This group is allegedly an anticommunist group and it has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic literature. Myron C. Fagan has, in the past, attempted to use the Director's name in furtherance of his program. The John Birch Society is allegedly an anticommunist organization. Its founder, Robert Welch, has been critical of the Eisenhower administration in the past, and has indicated that a group having the appearance of a front organization might be effective in attracting true subversives.

Dear Mr. Hoover,

Enclosed you will find several tracts that were given to us. We are concerned about whether these are true or not - even if true it seems the tactics used are Deplorable.

We have become interested in doing all we can to prevent our country from becoming Communist. Our interest was aroused by friends who attended the School on Communism given by The Freedom Forum in Dallas.

We would be interested in any information you could send us. We have also been sent pamphlet from "The John Birch Society." Is there anyway we can Determine whether these sources are reliable.

Thank you for your help.

Dear Sir,

I would like some information. If you have time and can give me some facts, I would appreciate it very much.

First, I would like to know if the tract put out by the "Cinemas Educational Guild, Inc. P.O. Box 46205, Hollywood, 46 California", listing Movie Stars, Writers, and TV personalities as being Communists, Reds, Fellow-Travelers, Is this information reliable?

They listed Mr. Edward R. Murrow. I wrote Mr. Murrow and he replied that he was not. If he told me the truth, then these people in California should not be allowed to print such things. If they are telling the truth, then Mr. Murrow should not be allowed to hold the office that the President appointed him to. I don't know who to believe on this. I'll believe what you tell me,

I would also like to know if "The John Birch Society" would be a good organization for me to join.

I have been reading a few things about the growth of Communism and I'm shook up.

Please let me hear from you or your office on this matter. B

Sincerely,

Federal Bureau of Investigation  
Washington, D. C.

Gentlemen:

My mother, who is up in years but remains quite active and well known in our small community as a person who thinks and does the right things, presented the enclosed folder to me. Mother is one of the several persons who received these folders.

I have, in the past, heard the names of several of the persons listed as being Communists, but the enclosed list is quite inclusive and I never would have dreamed that some of those named would have Communist leanings.

I would appreciate information from you as to whether all of the individuals named on these lists are known to be associated with Communism. I would also appreciate knowing the background of Cinema Educational Guild, Inc.

This folder is vicious, if it is not correct; on the other hand, those named are well known in our wonderful country and influence many people. Mother has agreed not to distribute the folders until after information is received from you.

Monorable Sir:

Americans are becoming increasingly more concerned about Communist activities in every respect. Frequently we are unable to discern what is or what is not red-tainted.

The "Cinema Educational Guild, Inc., P. O. Box 46205, Hollywood 46, California" publishes periodical pamphlets under the pretense of being anti-communist, yet to the run-of-the-mill American even these smell of tinges of the red.

Please advise if this organization has the backing of our government and if it's pamphlet No. 3 Compiled in 1960 "Red Stars" is authentic.

As a tax-paying American I urge re-opening of new investigations and, further, ACTIONS to EXTRADITE the pro-Communists to their proper places within the bounds of their own curtains.

March 14, 1961

Mr. J. Edgar Hoover  
Federal Bureau of Investigation  
Washington, DC

Dear Sir:

I have read your book "Masters of Deceit" which made me start thinking about the dread disease Communism.

Today I received a pamphlet of which I am sure your office is familiar with. It is from Cinema Educational Guild Inc. P.O. Box 46205, Hollywood 46, California. This pamphlet names 200 known communist in Hollywood but I am not sure and was wondering if you could verify the list of names which is attached.

I spent some time in Korea with the 2nd Division fighting things like this and here I am home letting these people in my living room.

I have three girls and I hate to think what their lives will be if things keep going like this pamphlet says.

I know my pride was hurt to think some of these people are communists. I felt they were good Americans but find they should be in Russia and live the rest of their lives in the country of their choosing.

I have been informed that there are over 400 known Communist in Hutchinson County, Texas of which is hard to believe. I would appreciate it if your office could send me a list of the known Communist in Hutchinson and Moore Counties, Texas where I live and trade as I feel these people should be known. How can one fight or even stay away from them when one does not know who they are or how to fight them? There are a lot of American people including myself that does not know how serious things are getting. I understand there have been clubs organized to fight Communism and literature published for the same purpose but how is one to know this is not a publicity stunt to get people to fall for one thing when it can very easily turn out to be another.

**Communism?**

AUSTIN (UPI)—Scripps - Howard newspapers correspondent Carl Freund said today he learned from reliable sources that the House General Investigating Committee is trying to find out if Communists have infiltrated any Texas colleges or schools.

Freund said all the committee chairman Rep. Charles Ballman of Borger would say was that the group "has at least one preliminary investigation started."

"I can't tell you what field we are looking into," Ballman said. "It would destroy the effectiveness of our work."

But Freund said his sources told him one committeeman fears the danger of Communist infiltration in schools in Texas is higher now than at any time the past 14 years.

The committee may call witnesses for a public hearing later. It has requested information from the State Department of Public Safety.

When the House established the new committee, it gave it authority broad enough to include investigation of teachers suspected of Communist sympathies.

Dear Mr. [REDACTED]:

Your letter of March 16, 1961, with enclosure, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the FBI is an investigative agency of the Federal Government and, as such, does not make evaluations or draw conclusions as to the character or integrity of any organization, publication or individual. I regret that I am unable to help you and hope you will not infer in this connection either that we do or that we do not have data in our files relating to the subjects of your inquiry.

The pamphlet you forwarded has been brought to our attention on a number of occasions. I can assure you that neither the Cinema Educational Guild, Incorporated, nor its national director, Myron C. Fagan, has ever had access to information contained in the files of this Bureau.

Enclosed is some material pertaining to the general subject of communism which may be of interest.

Sincerely yours,

J. Edgar Hoover

The Cinema Educational Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Myron C. Fagan, its national director, has, in the past, attempted to use the Director's name in furtherance of his programs, and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner (62-87267).

Re: Anti-Communism

Dear Mr. Hoover: *Cinema Educational Guild Inc.*

I served three years in the U.S.N.R. during World War II, part of this time in the South Pacific on the U.S.S. Mississippi. I am an account executive for a large insurance brokerage in Los Angeles. I am a caucasian. I believe myself to be a good solid American citizen and therefore a staunch foe of Communism.

The enclosed tract is a photo copy of one which is being circulated in the Los Angeles area. The one I first saw had been given to a high school boy.

If this pamphlet speaks the truth, perhaps it should be even more widely circulated. However, if it does not, then it is an insidious weapon against, rather than for, Americanism.

After studying this pamphlet, I feel there is a possibility that its authors may be using the mask of Anti-Communism to disguise their own purposes-which may be Segregationism and racial prejudice. You will notice that they classify Desegregation as an evil equal to Marxism and One-Worldism.

The pamphlet states that, "the Pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, etc". Now, whereas a half-dozen or so of these people are either ex-communist party members or communist supporters, I find it hard to believe that the other 194 are also, "best known Reds and Fellow-Travelers". If they are, then I think it should be publicized. However, if they are not, then innocent people are being done great harm in the name of Anti-Communism and I believe your department should know about it.

I realize that time would not allow you to give me a report on each of the people on this list, but would it be possible to do so for just a few?

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!

AMERICANS . . . .

To save America from the  
Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT  
OF YOUR (TV)  
LIVING ROOMS —  
OUT OF RADIO —  
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD.

ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. The Hollywood Moguls frantically denied everything. That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook! — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the Charlie Chaplin pictures are on the Screens again! — and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

### TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes!

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America!

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

### Here is How YOU Can Drive Them Out

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE — THAT is the only way we will drive the REDS out of Hollywood — Radio — Television . . . Hit the pocketbooks of the Sponsor! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY!

Dear Sir:

0 I recently read some literature distributed by

approximately 95% of all current television stars as

I would certainly be obliged to learn whether or

My dear Sir:

I would like information concerning the reliability of  
information furnished by: CINEMA EDUCATIONAL GUILD, INC., P. O.  
Box 46205, Hollywood 46, California.

The enclosed pamphlet was handed to me a few days ago and  
I am much concerned about the information contained in the  
pamphlet, especially concerning some of the names listed as  
being COMMUNISTS. If such men as: CHET HUNTLEY, HENRY FONDA,  
GREGORY PECK, VINCENT PRICE and EDWARD R. MURROW are lined up  
with the COMMIES we are in a bad shape.

According to the NEWS, EDWARD R. MURROW, just yesterday,  
was approved as Director of U. S. Information Agency by the  
Senate Foreign Relations Committee, without dissent. Is it  
possible that this man is a COMMUNIST and still be approved  
without dissent by this Committee ?.

Dear Henry:

The enclosed has been given to me for no particular reason, except to try to determine--not for publication--if there is anything to it.

✓ There are some "big" names included here, some surprises, especially Chet Huntley of Huntley-Brinkley, and some not surprises such as Chaplin and Sinatra etc.

Thought I'd pass it on to you for whatever comment you may wish to make to me--not for publication or even repeating. If this is a true picture we are in a hell of a shape, entertain-wise.

Dear Sir:

Enclosed is a pamphlet that was handed to me at a recent  
~~Freedom Forum~~ held in Oklahoma City, Okla. on Feb. 7, 8, and  
9 under the auspices of Oklahoma Christian College.

Please inform me of the validity of this pamphlet, since  
it has caused a great deal of concern among many people I  
know. Specifically, I would like to know if what it says is  
true, to what extent it may be distorted, and if the organization  
that printed it, is or is not subversive.

Thank you very much for your cooperation in this matter, and  
I am anxiously awaiting your reply.

Respectfully yours,

Dear Mr. Hoover:

This will acknowledge receipt of pamphlets concerning activities of the Communist party and your letter returning Cinema Educational Guild Inc. I appreciate your sending this information to me.

Our office here in Hunt County is always on the alert for signs of any subversive activity and we always try to keep current with all new developments concerning same.

Recently, a seminar was held at Tyler, Texas on the activities of the Communists. This is a good trend because many people do not understand how the Communists work. Our local newspaper, The Greenville-Herald Banner has given some publicity to the school held in Tyler and Mr. [redacted] of [redacted], who attended the seminar, has offered through the media of the newspaper to furnish speakers on the evils of Communism.

I wish to commend you for the efficient manner in which your Dallas office operates. They have always been very cooperative with us in every way.

Dear Sir,

I recently attended a lecture by Mr. Herbert Philbrick in which he mentioned that there were still Red writers in Hollywood. I was interested enough to write for and receive the enclosed tract.

After examining it, I discovered the name of Edward R. Murrow. It does not seem possible that President Kennedy would appoint him to such an important post if he had at any time been a member or fellow traveler of a communist organization.

There are many of us who are greatly disturbed by the information we received - not only Mr. Murrow but many of the other names as well.

Could you tell me if the enclosed tract is true?

Dear Mr. Hoover:

Not that this inquiry even needs to get to you personally, but that I might get the information I need, I write.

Enclosed is a list of well known names, with the accusation or at least insinuations that these are Communists, or supporters of communistic fronts. We have made inquiry here through your office but was advised unde the law your office is not permitted to give out the information we need. But where shall we go? The public, the ordinary citizen, like myself, sorely needs information from sources reliable that might direct us in the right direction. Under the law, can you give me the source where I might satisfy myself on this question of when a man is accused I can know whether or not that accusation is true?

Is there an up-to-date, weekly, or monthly, or quartely or even yearly publication on Communism and its followers and supporters that can be subscribed to that will keep us informed? Or is there some reliable, recognized organization, or committe to whom I might write and get this information? The public is in the dark and not enough citicens will bother to read your book, or bother to go into the study of Communsim to be prepared to combat it in their own minds therefore the information must come through an easier source. The free people ned it and we do not have it. This little booklet enclosed, in my own mind, has the stench of the communistic way to, or rather into our minds. We see something like this and our first impulse is to start swinging. And to our deep regret we find later-too often too late-that we've been swinging for the Communist.

EX-114 REC-4 62-87267-448  
I am not much of a believer in committees, or groups, therefore I actually do not know if I believe that such groups as the ~~House Un-American Activities Committee~~ is more American than Communistic in its final results. I am a believer in the individual-the rights and dignity of the individual therefore I could not possibly believe in Communism. I could not believe in the State, whether that be a Communistic State, or A United State. I do believe that the world's only hope is through the United States and the freedom of the individual that we enjoy. But I need help and every American needs help. What is our source? And not one in 1000 wants to be a student.

Material handed out after the film and talk, included the folder enclosed. The facts disclosed in this pamphlet were very shocking to me and many of the men who were also there.

My ignorance of what the communists are doing in our country made me sick at heart. In an effort to learn more of this menace and what I can do as an individual, I hope you can send me information on this particular article and the author. Can this information be substantiated by you?

Dear Mrs. [redacted]

The letter of March 22, 1961, with enclosure, from you and your husband has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice and are available for official use only. I hope that you will not infer in this connection either that we do or that we do not have data in our files relating to the subject of your inquiry. The pamphlet you forwarded has been brought to our attention on a number of occasions. It indicates that data found therein is documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to the files of this Bureau.

Enclosed is some material dealing with the general subject of communism which may be of interest, together with the pamphlet you sent.

Sincerely yours,

J. Edgar Hoover

AIR MAIL

Dear Mr. Hoover:

First may I say "thanks" for your meritorious services in all you are doing to uncover communists in our Country. May it always be so and may you be provided with money and power to do more.

Could we please have any information you may have concerning Communism in America?

We are enclosing a list of "RED STARS - No. 3". Is it authentic? If so why was Edward R. Murrow confirmed to a responsible position in our Intelligence Information Bureau? If it is authentic, why would the President of the U.S. allow Frank Sinatra to have full charge of festivities at his inauguration?

We think the lid should be clamped down on all known subversives. WHY do we permit them to roam our Country?

Thanking you in advance, we remain

*Cinema Educational Guild, Inc.*

Yours very truly,

Mr. & Mrs.

Dear Sir:

Ø I would like to know if you are acquainted with the  
"Cinema Educational Guild, Inc." in Hollywood, California.  
In a tract issued by this guild was a list of approximately  
one hundred movie and T. V. stars who are supposedly commu-  
nists. Upon first reading it, I agreed with it. But rather  
than take it at face value, I decided to find as much as I

Mr. J. Edgar Hoover  
Director of Federal Bureau of Investigation  
Washington, D.C.

Dear Mr. Hoover:

My name is [REDACTED], I am a junior in High school and Editorial Editor of my high school newspaper.

I have become, in the last year, concerned, as I think many Americans have, at the threat of Communism in the United States.

Recently I received a pamphlet entitled, "THE REDS ARE BACK IN HOLLYWOOD." Published by CINEMA EDUCATIONAL GUILD, INC., P.O. BOX 46205, Hollywood 46, California. I was horrified at the names that appeared on this list of movie stars and entertainment people.

From what I understand of Communism, their plot is to undermine the security of the United States and what it's people believe in. Is not this what this pamphlet is doing? It is putting doubt into the minds of the American people. Yet if this article is not true, wouldn't and couldn't the entertainers sue this corporation for libel?

I am certainly opposed to Communism, but I can not see all of these people as being Communists and not hearing of it sooner than before this.

I would appreciate anything that you might be able to send me on this subject.

If at all possible I should like an answer within three to four weeks.

Sincerely

[REDACTED]

Dear Sir:

With regard to the enclosed pamphlet regarding Communists.

As an American citizen, I would appreciate it very much if you would please write and advise me if this literature is sanctioned by your bureau. Also, if possible, could you advise what group of people and who the leaders are, of the Cinema Educational Guild, Inc.

I have read this pamphlet and there seems to be some conflicting statements regarding some of our recent Supreme Court decisions. I have reference especially to the statement of DESEGREGATION, which I have underlined.

Please advise me if this literature is approved by your bureau.

Thank you very much.

Gentlemen:

I would appreciate receiving a copy of the list of organizations considered subversive by the F. B. I.

We find, as teachers, we are placed in a position where we are asked by young people to help evaluate certain organizations.

As one case could you give us some information on the Cinema Educational Guild, Inc., Hollywood, California?

Your immediate reply will be appreciated.

Yours very truly

decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about "rights" and "terms of the Charter": Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — he also confirmed its permanency! After that, says Mr. Lie "... it would not have been politic for me to resist that (secret agreement) accord."

He then reveals what little authority he had in all such matters, even in the choice of the Russian to fill that all-important post, although, under the Charter, he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that "his was not to reason why, his was but to obey — OR GET FIRED!

## WE NOW HAVE THE PROOF !!!

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—evidence that that "secret agreement" **MURDERED 145,000 American boys in KOREA!** — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly

investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN

But Congress won't act unless "the people" DEMAND that they act — and the people won't DEMAND until they know what to DEMAND. Senator Jenner said: "Our problem is to get the story to the people" — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — coupled with Tract No. One!

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

DECLASSIFICATION AUTHORITY DERIVED FROM:  
FBI AUTOMATIC DECLASSIFICATION GUIDE  
DATE 08-31-2010

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

---

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist !!! Now, under the Charter, "little wars" to prevent Communist aggression (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee! GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee !!!

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGRESSIONAL RECORD", and demanded that the UN be hauled up for a thorough (open to the public) hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get "the people" to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we quoted sections of "U. S. Government (TOP SECRET) Bulletins" which OFFICIALLY confirmed all those charges . . . Those TOP SECRET Bulletins confirmed that the UN gave MOSCOW'S Gen. Vasiliev a "leave of absence" from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES !!! . . . Those Bulletins PROVED that ALL

the American boys who died in Korea were MURDERED by the UN — as a result of that Hiss-Molotov secret agreement !!! . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese !!!

---

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washington . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — and that would mean the end of the UN !!! . . . And then the State Department came to the rescue of the Conspirators — they issued an "official statement" in which they denied our charges — and virtually proclaimed that their own original "U. S. Government (TOP SECRET) Bulletins" were falsehoods. And, promptly, the UN and ALL the UN Fronts — and the State Department — flooded the nation with that false and misleading "official statement"!

Now, get this point: in their denials, those "official statements" never once named the "charges" they denied — they operated on the theory that if they could cast a doubt on any one charge it would discredit all charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce DOCUMENTARY evidence that such an agreement had ever been made!

That strategy worked perfectly! And why not? After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely they wouldn't be guilty of deliberate falsehoods! Oh, no? Anyway, "the people", confused, believed

them. The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygve Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit — maybe to clear his conscience. Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his (verbatim) statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Secretary Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "... by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won

mation, Washington 25, D. C., May 15, 1954.  
(Captioned) The Truth About Soviet Involvement in  
the Korean War: (marked "TOP SECRET")

"In the interest of throwing further light on the  
facts of Soviet participation in the Korean war, and  
on the Chinese record in Korea, the Department of  
Defense has released two special studies on these  
subjects . . . these studies establish beyond any  
reasonable doubt the true nature of Communist  
aggression against the Republic of Korea, the Soviet  
and Chinese Communist support of, and participa-  
tion in that aggression, and the BLUNT TRUTH about  
the internal and external manifestations of Commu-  
nist control in North Korea . . . Many Russian  
'advisors' were attached to the North Korean Army  
advance headquarters established in June, 1950.  
They wore civilian clothing, and it was forbidden  
to address them by rank. They were introduced as  
'newspaper reporters', but they had supreme au-  
thority. They took the lead in commanding and  
manipulating troops. They treated the North Korean  
officers, who were nominally their chiefs, like their  
servants, or children. A North Korean Major identi-  
fied two of these Russian 'advisors' as GENERAL  
A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he  
said, was in charge of all movements across the  
38th parallel."

### MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even  
if the Red Chinese swarmed across the Yalu into No.  
Korea in overwhelming hordes, even if they  
slaughtered UN soldiers by the thousands on the  
battlefields and in the prisoner of war camps the  
U.S. Government would not retaliate. And the Reds'  
staging and supply area in Manchuria would remain  
a sanctuary!" . . . The U.S., BY ORDER OF THE UN,  
did not retaliate - Manchuria remained a Red's  
sanctuary throughout the war - and 145,000 Ameri-  
can boys were maimed and MURDERED in Korea !!!

## Do We Need Any More Proof?

up to Congress to act! But Congress won't act unless

Why we MUST get the U.S. out of the UN  
-- and the UN out of the U. S.

U.S. Government (TOP SECRET) Bulletins  
provide

**DOCUMENTARY PROOF**

that

**UN is PLANNED**

**DEATH - TRAP FOR U. S.**

RITA ("Thieves' Paradise") . . . "All the American  
Boys who were killed in Korea were really murder-  
ed by the UN."

On Sunday evening, May 20, 1956, Myron C.  
Fagan's play "Thieves' Paradise" opened at the  
Shubert Theatre in Washington, D.C.

The play was written for just one purpose -- to  
warn the American people that the YALTA plotters  
created the UN to destroy the U.S. and transform  
our country into an enslaved unit of a Communist  
One World Government . . . it was produced in  
Washington so as to put the UN on open trial before  
all the Members of Both Houses of Congress -- from  
now on there can be no "I didn't know" alibi!

"Thieves' Paradise" revealed all the different  
phases of the diabolical plot -- how the UN was a  
"Trojan Horse" sneaked into the U.S. to serve as a  
Sanctuary for Red Spies, Saboteurs and American  
traitors . . . how it was to destroy our Freedoms  
through "Treaties," such as "GENOCIDE" . . . to  
brainwash our Youth through UNESCO . . . to drain  
us of our wealth through UNRRA, "Marshall Plan"

and Foreign Aid give-aways . . . and to finally transform the U.S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force. But there were men like Syngman Rhee and Chiang Kai Shek who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygve Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces!

"STEFAN:— Exactly! That's what happened in

Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they didn't dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1951 . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary. The same UN records show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him sole command of all UN military affairs! I

### Confirmed by U.S. State Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) "Special agreements under article 43 of the United Nations Charter" (marked "TOP SECRET"), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygve Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . These Armed Forces shall be made available from the best trained and equipped units of Member Nations of the United Nations" . . . and (under UN Regulations) "all of the Armed Forces thus to be provided shall be deployed as directed by the Chairman of the Military Staff Committee of the United Nations" . . . **AND REMEMBER THIS:**

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

To save America from the  
 Communist Conspiracy —

**DON'T PATRONIZE REDS!!!**

KEEP THEM OUT  
 OF YOUR (TV)  
 LIVING ROOMS —  
 OUT OF RADIO —  
 OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD.

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That **ROCKED** the nation! The people, **infuriated**, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed **THOUSANDS** of theatres!

THAT did the job! . . . It hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "**never again would they employ any REDS**" — that "**never again would they produce RED-propaganda films**" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget**. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, **TELEVISION** became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify **MARXISM—ONE-WORLDISM—DESEGREGATION!**

In short, **TODAY** the REDS are back in Hollywood stronger and more brazen than ever — even the **Charlie Chaplin pictures are on the Screens again!**—and all the honors, including the "Oscar", have been restored to them . . . all because the people have **forgotten!**

### TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — **by the Hollywood Reds!** **RIGHT NOW** all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set**, they are being piped into your Living Room—and are **brainwashing and poisoning your children right under your very eyes!** . . .

**YOU** can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again **FORGET** that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room **VIA YOUR TV SET** you will be helping Moscow and the **INTERNATIONALISTS** to destroy America! . . .

Among the worst offending Sponsors are **FORD MOTORS** (Ed Sullivan Show in particular); **Kraft Foods**; **General Electric**; **Chrysler**; **U. S. Steel**, etc. . . . among the worst offending TV Producing Studios are **Screen Gems, Inc.**; **MCA-REVUE**; **Warner Brothers**; **DESILU**; **Four Star Films, Inc.**; **Theatre Guild**, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

### Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and **FELLOW-TRAVELERS** who made our **SCREEN** Communism's most effective "Pied Piper". They are now coming into your Living Room night after night **VIA YOUR TV SET** and Radio. . . **WATCH FOR THEM!** . . . Keep this list with you **ALWAYS!** . . . When one of them appears on your SET send a copy of this Tract to the **SPONSOR** immediately—and **WARN** him that if he will bring another RED into your Living Room you will never again buy his products—and then **fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to **ALL Dealers** you patronize — and **warn them** — so they can **warn the Sponsors** — also send copies to your local TV and Radio Stations . . . **USE THE SAME METHOD WITH YOUR MOVIE THEATRE!**

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . **Hit the pocketbooks of the Sponsor!** . . . **REMEMBER:** every time you buy the products of a Sponsor who employs REDS you are hurting **YOUR COUNTRY!** . . .

# WHY NOT IMPEACH EARL WARREN?

## PRO-RED RULINGS OF THE SUPREME COURT

From 1943 through 1953, the U. S. Supreme Court ruled on 34 cases which dealt with Communism. During this period the Court voted in favor of the position advocated by the Communists in 15 cases, and voted against what the Communists wanted in 19 cases.

## UNDER EARL WARREN, SUPREME COURT INCREASES PRO-RED RULINGS

Earl Warren became Chief Justice in October of 1953. From that time until June 2, 1958, the Supreme Court consented to hear a total of 39 cases involving Communists or subversive activities in one form or another. Of these 39 cases involving Communism, Chief Justice Earl Warren voted 36 times in favor of the Communists. In other words, 92% of the time Earl Warren gave "aid and comfort to" America's mortal enemy, Communism.

### States Prevented From Controlling Reds

Chief Justice Earl Warren voted with the majority of the Supreme Court and thus nullified the subversive control laws of 41 States. Therefore, Communists can now plot to take over your State by force and violence. (Nelson vs. Pennsylvania, 1956)

### Communists Can Practice Law In Your State

Chief Justice Earl Warren voted with the majority of the Supreme Court and thus nullified State Laws and Bar Association regulations regarding who can be admitted to practice law. Therefore, Communists may be practicing law in your State for the benefit of the International Communist Conspiracy. (Schware vs. New Mexico, 1957.)

### Professors Free To Teach Communism

Chief Justice Earl Warren voted with the majority in the Slochower case, with the result that State and City governments cannot question a teacher about his known association with Communist Party members. Are your sons and daughters now being taught that Socialism and Communism are superior to our Republic and the free enterprise system? (Slochower vs. Board of Education, 1956)

### Congressional Investigations Crippled

Chief Justice Earl Warren voted with the majority in the Watkins case, which restricted investigating committees of the House and Senate by saying that your elected representatives could not inquire into the extent of Communist activities of identified Communists. Communists now know they cannot be jailed if they refuse to answer questions asked by Congress. Communists have been set free to carry out their plans to take over the United States. (Watkins vs. the U.S., 1957)

### Subversives Free To Hold Government Jobs

In 1954 Congress passed the Communist Control Act which established the Subversive Activities Control Board in an effort to curb infiltration of the Federal Government by the Communists. The Communist Party refused to comply with the provisions of the Communist Control Act, and by legal maneuvers managed to take the case to the U.S. Supreme Court. Under the direction of Chief Justice Earl Warren, the Supreme Court granted an indefinite delay and thus struck a devastating blow to the efforts of the Executive Branch of the Federal Government to control Communist influence. If the Government had won this case, that is, if the Supreme Court had ruled in favor of the U.S. instead of in favor of the agents of the Kremlin, the Communist Party would have been subjected to crippling sanctions. Communists would have been denied employment in the Federal Government and in defense industries. Because Chief Justice Warren voted in favor of the Communists the U. S. Government now lacks the legal means to protect itself from Communist infiltration. (Communist Party U.S.A. vs. Subversive Activities Control Board, 1956)

### Warren Votes In Favor Of Advocating Treason

Chief Justice Warren and the Supreme Court have ruled that it is legal to advocate and teach and conspire with others for the overthrow of the government of the U. S. by force and violence so long as the future date of the revolution is not fixed and thus remains "indefinite". (Yates, et al vs. U.S., 1958)

## DEFINITION OF TREASON

Article III, Section 3, Clause 1 of the U.S. Constitution defines treason as follows:

"Treason against the United States shall consist only in levying war against them (the States), or in adhering to their enemies giving them aid and comfort."

## COMMUNISM IS MORTAL ENEMY OF U.S.

J. Edgar Hoover, Chief of the Federal Bureau of Investigation, wrote in his book, Masters of Deceit: "Communism is the major menace of our time. Today it threatens the very existence of our Western civilization."

Communism's sole aim is the eventual conquest of the U. S. by infiltration or other means. The documented record of Chief Justice Earl Warren clearly reveals that when he has a choice between voting for the interests of the United States or voting in favor of the Communists, Chief Justice Warren votes in favor of those serving the Communist cause.

## VIEWS OF LEGAL AUTHORITIES ON ACTIONS OF THE WARREN COURT

### HON. M. T. PHELPS, SENIOR JUSTICE OF THE ARIZONA SUPREME COURT:

"It is the design and purpose of the U. S. Supreme Court to usurp the policy-making powers of the nation... By its own unconstitutional pronouncements, it would create an all-powerful, centralized government in Washington and (the) subsequent destruction of every vestige of States Rights expressly and clearly reserved to the States under the Tenth Amendment of the Constitution."

"I honestly view the Supreme Court with its present membership and predilection, a greater danger to our democratic form of government and the American way of life than all forces aligned against us outside our boundaries."

### CIRCUIT JUDGE WILLIAM OLD OF VIRGINIA:

"It is now clearly apparent from a long list of revolutionary decisions by the Supreme Court headed by Chief Justice Warren, that the Court is determined to destroy our dual system of government under the Constitution, and create by usurpation and encroachment a judicial oligarchy of unparalleled proportions."

### CONGRESSMAN NOAH M. MASON OF ILLINOIS:

"Most of the recent Supreme Court decisions are based upon the social, economic and political convictions of the Justices rather than upon legal precedents or Constitutional grounds... Century old customs and previous court rulings may now be overturned by a capricious Supreme Court... The founding fathers and the makers of the Constitution agreed that an uncontrolled Supreme Court meant despotism and must be guarded against. We now have such a court... Our first and primary responsibility as Members of Congress is to protect and preserve our Federal Constitution... Our oath of office pledges us to do just that. Let us live up to that oath."

## GROUND'S FOR IMPEACHMENT OF EARL WARREN

It was Abraham Lincoln who stated:

"The people are the rightful masters of both Congresses and Courts - not to overthrow the Constitution, but to overthrow the men who pervert it."

## THE U.S. CONSTITUTION

Article 2, Section 4 of the U. S. Constitution states:

"The President, Vice-President, and all civil officers of the United States shall be removed from office on impeachment for, and conviction of, treason, bribery, or other high crimes and misdemeanors."

Article 3, Section 1 states: ".....The judges, both of the Supreme and inferior courts, shall hold their offices during good behavior....."

## DEFINITIONS

THE DAN SMOOT REPORT of July 1, 1957, in discussing impeaching certain members of the Supreme Court, notably Earl Warren, states:

"Misdemeanors, as used in the Constitution in connection with the impeachment of officials, means bad behavior."

"High crimes are defined by some law text writers as trespasses upon the constitutional rights of the American people by an officer or agent of government, whether appointed or elected to office."

"To any reasonable lay person, it must be apparent that the kind of aid and comfort which the Supreme Court justices have given to Communists amounts to treason against the United States...."

Robert Welch, founder of THE JOHN BIRCH SOCIETY, in discussing the possibility of impeaching Earl Warren states that Chief Justice Warren "should be impeached for misconduct in office and removed, if found guilty, under the 'good behavior' clause."

## WHAT DOES IMPEACHMENT MEAN?

Impeachment does not mean conviction, or removal from office - though it may bring about both. Impeachment of a federal official, under our Constitution, means only the arraignment of that official by the U. S. House of Representatives. If impeached by the House, the official is then tried by the U. S. Senate.

## COUNCIL ON FOREIGN RELATIONS

The Council on Foreign Relations is supported by both the Carnegie Endowment and the Rockefeller Foundation. The Reece Committee Report of 1954 states that "its (the Council on Foreign Relations) productions are not objective but are directed overwhelmingly at promoting the globalism concept." The Reece Committee also pointed out that "the Council on Foreign Relations came to be, in essence, an agency of the United States Government, no doubt carrying its internationalist bias with it." So dominant has become the influence of the Council on Foreign Relations, that it has almost taken over the prescribed activities of the U. S. State Department.

In 1946, the Rockefeller Foundation, through the Council on Foreign Relations, allocated \$139,000 to finance what the Reece Committee termed "the historical blackout". This project called for a rewriting of the history of American participation in World War II so that the policies and measures taken by Franklin D. Roosevelt during the war would escape critical analysis and evaluation in the future.

The following members of the Kennedy cabinet are members of the Council on Foreign Relations, financed by the Rockefeller Foundation: Chester Bowles, Under Secretary of State; Douglas Dillon, Secretary of the Treasury; Roswell Gilpatric, Deputy Secretary of Defense; John J. McCloy, Director of The U. S. Disarmament Commission.

## CARNEGIE ENDOWMENT FOR INTERNATIONAL PEACE

It will be recalled that a former president of the Carnegie Endowment for International Peace was Alger Hiss, who was convicted of perjury for lying about his Communist affiliations and activities.

Perhaps the best summation of the general aim of the foundations is contained in the 1934 Yearbook of the Carnegie Endowment for International Peace, which states that the Carnegie Endowment Fund "is becoming an unofficial instrument of international policy, taking up here and there the ends and threads of international problems and questions which the governments find it difficult to handle,

and through private initiative reaching conclusions which are not of a formal nature, but which unofficially find their way into policies of governments." This arrogant statement on the part of one of the leading foundations clearly indicates that the foundations set themselves above all governments.

## ROCKEFELLER BROTHERS FUND

The December, 1959, Report of the Rockefeller Brothers Fund virtually called for the recognition of Red China, as soon as the American people could be propagandized into accepting such a dangerous proposal. The Rockefeller Brothers Fund Report also called for enormous new foreign aid programs, especially for African-Asian countries, to be carried out under the auspices of the Communist-dominated United Nations.

## THE ROCKEFELLER FOUNDATION

The Rockefeller Foundation, in its 1946 Report, stated: "The challenge of the future is to make this world one world - a world truly free to engage in common and constructive intellectual efforts that will serve the welfare of mankind everywhere."

The Reece Committee, in commenting on this Report, stated: "However well-meaning the advocates of complete internationalism may be, they often play into the hands of the Communists. Communists recognize that a breakdown of Nationalism is a prerequisite to the introduction of Communism."

## INTERNATIONALISTS CONTROL BOTH PARTIES

The 1960 Presidential campaign graphically illustrated that there now exists no difference between the policies of the Democratic and the Republican parties. In this pamphlet you have seen the interlocking of the giant tax-free foundations, how they have infiltrated key policy-making positions of the Federal Government, and how, because of their control of both political parties, it is immaterial to Nelson Rockefeller and the administrators of these huge foundations which political party happens to be in power.

Thus, in effect, the foundations have managed to destroy our two-party system and have replaced it with one-party government!

## NEW PARTY ONLY ANSWER

Freedom-loving Americans cannot hope to out-spend or out-buy Rockefeller and the giant foundations, which have billions of dollars at their disposal. However, the American people can "out-vote" the foundations. The only effective way to combat this internationalist control of both parties is by the formation of a national Conservative Party - a **NEW PARTY** dedicated to the defense of our national sovereignty and a return to Constitutional principles and fiscal sanity.

## WHAT YOU CAN DO

If you wish to help counteract the International-Socialist propaganda of the foundations, then please buy and distribute as many copies of this pamphlet, TAX FAX #28, as possible. Send these pamphlets to your Congressman, Senators, small businessmen in your community, club members, and civic leaders.

Write a letter to the editor of your local newspaper enclosing a copy of this pamphlet, and ask that he write editorials dealing with the increasing power of the giant foundations and how they now control both political parties.

# How Rockefeller and The Foundations Have Infiltrated The U.S. Government

"Some of the larger foundations have directly supported 'subversion' in the true meaning of that term, namely, the process of undermining some of our vitally protective concepts and principles. They have actively supported attacks upon our social and governmental system and financed the promotion of socialism and collectivist ideas."

— From the Report of the Special Committee to Investigate Tax-Exempt Foundations (the Reece Committee), December 16, 1954.

Although Jack Kennedy has been elected President of the United States, the man behind the scenes, the man who actually holds the power to control the foreign and fiscal policy of the United States of America, is Nelson Rockefeller, present Governor of the State of New York.

Nelson Rockefeller's influence on the foreign policy of the United States, and on both political parties is a fact that has been overlooked or minimized by the vast majority of Americans. Generally known, of course, is the fact that Nelson Rockefeller was able to demonstrate his political control of the Republican Party by summoning Vice President Nixon to New York prior to the Republican Convention in 1960. At this meeting, Nelson Rockefeller laid down in no uncertain terms his Liberal demands regarding the Republican platform. These demands, it will be recalled, necessitated a complete re-writing of the platform, which had already been drafted.

However, it is not too generally known that men loyal to Nelson Rockefeller were chairmen of the Platform Committees of both the Democratic and Republican Conventions.

## SOURCE OF ROCKEFELLER'S POWER

Although Nelson Rockefeller is one of the wealthiest men in the nation, the mere possession of this wealth does not account for his enormous political power. There are other similarly wealthy men who possess no political power whatever. The secret of this accumulation of political power by Nelson Rockefeller is the tax-free foundations which he controls: The Rockefeller Foundation, The Rockefeller Brothers Fund, plus other cooperating or interlocking foundations, such as

The Council on Foreign Relations, The Carnegie Endowment For International Peace, The Ford Foundation, The Institute of Pacific Relations, etc.

## ROCKEFELLER'S INFLUENCE ON KENNEDY'S ADMINISTRATION

In column 4 is a list of President Kennedy's cabinet appointments which can affect the survival of this nation as a Constitutional Republic. After each name is indicated the direct connection that these cabinet appointees have with Nelson Rockefeller's foundations, or with foundations which are closely interlocked with Rockefeller's foundations.

## WHAT IS THE POLITICAL BIAS OF THE GIANT FOUNDATIONS?

John O'Donnell, columnist in the New York DAILY NEWS stated December 21, 1954, that "the huge fortunes piled up by such industrial giants as John D. Rockefeller, Andrew Carnegie, and Henry Ford are today being used to destroy or discredit the free enterprise system which gave them birth."

In 1954 the Hearings of the Special Committee to Investigate Tax-Exempt Foundations, headed by Congressman B. Carroll Reece, brought out the following fact: Increasingly the foundations have devoted their activities to the promotion of the Welfare State, World Government, impairment of U. S. national sovereignty, and defense of subversive elements in this nation.

## HOW FOUNDATIONS INFILTRATE GOVERNMENT

Kathryn Casey, legal analyst for the Reece Committee described in the Committee Report the "interlock" that exists between the various foundations and their influence on the U. S. State Department.

Kathryn Casey said: "They (the foundations) have undertaken vital research projects for the State Department; virtually created minor departments within the Department; supplied advisors and executives from their ranks; fed a constant stream of personnel into the State Department trained by themselves or under programs which they

have financed; and have had much to do with the formulation of foreign policy, both in principle and in detail."

The Reece Committee Report on Tax-Exempt Foundations then asks "... whether it is proper for the State Department to permit organizations to take over important parts of its research and policy-making functions when these organizations constantly maintain a biased, one-tracked point of view ... What we see here is a number of large foundations, primarily the Rockefeller Foundation, and the Carnegie Corporation of New York, and the Carnegie Endowment for International Peace, using their enormous funds to finance a one-sided approach to Foreign Policy, and to promote it actively among the public by propaganda and in the government through infiltration."

## THE "INTERLOCK" IN INTERNATIONALISM

The Reece Committee Report then states: "Substantial evidence indicates there is more than a mere close working together among some foundations operating in the international field. The Carnegie Corporation, the Carnegie Endowment for International Peace, the Rockefeller Foundation, and The Ford Foundation, joined by some others have commonly cross-financed, to the tune of many millions, various intermediate and agency organizations concerned with internationalism."

Below is a brief run-down of the leading foundations and intermediary organizations with which Kennedy's cabinet appointees are associated in one way or another:

## THE INSTITUTE OF PACIFIC RELATIONS

In 1952, the Senate Internal Security Subcommittee stated: "The Institute of Pacific Relations was a vehicle used by the Communists to orientate American-Far Eastern policies toward Communist objectives ... Members of the small core of officials and staff members who controlled IPR were either Communist or pro-Communist ... It was the continued practice of the IPR to place in government positions both persons associated with

IPR and other persons selected by the effective leadership of IPR ... The net result of IPR activities on United States public opinion has been such as to serve international Communist interests and to affect adversely the interests of the United States."

According to the McCarran Committee, the foundations should have known as early as the 1930's that The Institute of Pacific Relations had ceased to be a proper or even safe recipient of foundation funds. And yet, as late as December 31, 1952, the Rockefeller Foundation, with Dean Rusk's approval, donated \$50,000 to the IPR. This is the same DEAN RUSK, whom Kennedy appointed as Secretary of State.

# YEAR-END REPORT for our MEMBERS

*But which every loyal American should read very carefully — DIGEST every word in it — then READ IT AGAIN! . . . Because this is not just a REPORT of what happened during the past year, it is also a crystal clear review of the pattern of treason that, since 1932, has been gradually destroying all the Constitutional safeguards of our nation . . . but, even more important, this REPORT is also a BLUEPRINT for —*

## THE SALVATION OF OUR COUNTRY !!!

Dear Compatriot:

For me, as it should be for all loyal Americans, 1960 was a never-to-be-forgotten year. It was a year full of startling and shocking events . . . events which starkly revealed the horrifying treason *deliberately* perpetrated by our State Department (*Cuba, for just one example*) and by men holding the highest offices in the Land — *including the White House* . . . events that *conclusively* established that our Press (*particularly the N. Y. Times ilk*), Radio, TV, all our mass communications media, are collectively the chief treason propaganda and brainwashing apparatus of the ICC (*Internationalist-Communist Conspiracy*) . . . events which *clearly* foreshadow the kind of political chicaneries and treason we may expect during the coming four years — *unless we* (the people) *come awake and prevent it!* . . . events, *which I will later cite*, which show with crystal clarity that we (the people) have the power to prevent all acts of treason and political chicaneries — that WE have the power to drive all traitors and collaborators out of Washington — that WE have the power to smash to smithereens the entire Great Conspiracy — IF, as former Senator Jenner constantly exhorted, we will *"get the story to the people"*.

But that "IF" is our greatest problem — because the ICC, our sinister "Enemy Within" has (virtually) complete control of all our mass communications media — *that is* their "Iron Curtain" that has been making it impossible to *"get the story to the people"*. But it is not an insurmountable problem — that "Iron Curtain" CAN be pierced! We have done it before. We can do it again — *if YOU and YOU and YOU will carry out the directions you will find in this Report.*

And now I will digress for a moment to stress one point which will emphasize how VITAL this Report is — and why you should STUDY every word in it.

Not since the days of Genghis Khan has the world been in such panic, fright and despair as it is today. Seven hundred years ago Genghis Khan (*and his Mongol Hordes*) was the dread Menace that held the entire then known world in a grip of constant terror. Today, Communism is the dread Menace of our entire world — and with their constant threats of Nuclear extinction, our panic is even greater than was the panic of the peoples of seven hundred years ago.

And the bitter irony of it all is that we have no one to blame but ourselves for the horrible mess the world is in today. Communism would have been a dead issue many years ago were it not for the United States . . . the U. S. (Franklin Roosevelt) saved it from utter collapse in the early 1930s . . . the U. S. again saved it in World War Two . . . and in 1945 the U. S. provided it with the means into becoming the frightful Menace that it is today.

I will go even further: Communism would never have come into existence were it not for certain elements in the U. S. It was birthed in the U. S. — it was nurtured, financed and organized in the U. S. In short, like Frankenstein, we (the U. S.) created the Communist (Monster) Menace . . . and, just as the Frankenstein-created Monster finally destroyed its creator, so is our created Monster well on the way to destroy us. *But we still have a way to save ourselves* — if we will but use the brains God gave us — and the powers our Founding Fathers provided for us.

Now, first I will qualify the matter of the responsibility of the American people: we, the people, are NOT to blame for the actual deeds that created the Menace of Communism, but we ARE to blame for our sheer stupidity (*despite all warnings and obvious evidences*) in consistently entrusting the destiny of our nation to unscrupulous and unprincipled political charlatans — men whom even the word Judas does not begin to describe — renegades who have been *deliberately* betraying our country and our people to the ICC, *the most sinister gang of conspirators in the known history of the world!*

### THE (ICC) INTERNATIONALIST-COMMUNIST CONSPIRACY

To get a clear conception of what is happening to our country — how it is slowly but surely being betrayed toward destruction — one must have a clear understanding of the overall Great Conspiracy that is doing it.

Space limitation of this Report won't permit my going into *all* the phases of this Conspiracy. Our long-time (CEG) members know all about the entire horrendous plot, inasmuch as we published it in all of its details in various of our early "News-Bulletins". But for the enlightenment of those who have not read those "News-Bulletins" I will briefly pinpoint the salient features of this Great Conspiracy. *That* will give you a clear as crystal blue print of their pattern of Treason — and it will starkly reveal how each of those 1960 "events" fits perfectly into the general scheme of the Conspiracy.

The Great Conspiracy was launched way back in the Civil War era with the arrival in the United States of one Jacob H. Schiff (*a so-called immigrant*), a House of Rothschild agent, later best known as the head of Kuhn-Loeb and Company. His first assignment was to get control of our (U. S.) money system — *the life blood of any nation!* Under our Constitution, which gives all that power to Congress, that objective should have been utterly impossible — but with the help of two traitors in the White House (*Woodrow Wilson and Franklin Roosevelt*) they succeeded.

During the remaining years of the 19th century Schiff's

progress was slow — *but sure!* It was in those years that he put together the amazing Hierarchy of the present ICC — composed chiefly of carefully selected so-called “immigrants” and sons of “immigrants”, such as the Warburgs, the Lehmans, the Lapowskis (Douglas Dillon), Bernard Baruch, Brandeis, Felix Frankfurter, etc., etc., together with American renegades, such as the Morgans, the Biddles, Carnegies, Drexels, Harrimans, Rockefellers, etc., etc.—in short, all those who are commonly known as International Bankers and/or Financiers. In 1911, at a secret meeting at Jekyll Island, they launched the first step for their seizure of our money system. They called it “The Federal Reserve System”. In 1913, the first of our renegade political charlatans in the White House, Woodrow Wilson, railroaded our Congress into enacting it into a Law known as the “Federal Reserve Act” . . . *and let there be no delusions about it: regardless of all the alibis, the “Federal Reserve System” is privately owned and controlled by the Internationalist (Bankers) Communist Conspiracy!* In August 1933, just five months after he entered the White House, that other renegade, Franklin Roosevelt, launched the next step by taking the U. S. off the gold standard — he “outlawed” all gold money (coins and currency), and made owning or trading in gold a prison-punishable crime . . . then, to complete the plot and to make the American people completely gold-helpless, under cover of his phony “Land-Lease” scheme, that arch traitor *secretly* shipped ALL of our gold-mining machinery and equipment to Russia . . . Today we are faced with a *frighteningly-growing gold shortage which is destroying the value of our Dollar — while the Kremlin banditti are piling up mountains of gold with OUR gold-mining machinery!*

NOTE:— *Limitation of space won't permit all the details of that horrendous act of treason — but for those who may have doubts I can provide documentary proof. MCF.*

Their next most important objective was to achieve absolute control of ALL of our mass communications media. I described how they achieved control of the Press in an early “News-Bulletin” (“FREEDOM OF THE PRESS — TO PROMOTE TREASON”) — and in other “News-Bulletins” I revealed, *with documentary evidence*, that Hollywood and ALL TV and Radio Networks are not only controlled, but actually owned by the Lehmans and their International Banker (ICC) affiliates.

Another of their most vital objectives was to destroy the solidarity of the American people by creating dissensions, strife and poisonous hatreds between the ethnic and religious groups that make up our nation — to set Protestant against Catholic and Catholic against Protestant . . . Jew against Christian and Christian against Jew . . . *and, most important, Negroes against Whites and Whites against Negroes!* So, in the first decade of the 20th century, they created the ADL, the NAACP, the URBAN LEAGUE, the “American Jewish Committee”, the “American Civil Liberties Union”, plus scores of similar vicious organizations — *and the most frighteningly vicious of them all is the “ANTI-DEFAMATION LEAGUE of the B'nai Brith”.* This ADL is the master-minding organization for all the groups, and is equipped with thousands of spy-agents and “smear” factories in every community in the United States . . . *it is the secret GESTAPO of the Internationalists-Communist Conspiracy.*

By 1914 they were all set for their final coup — to create their “One-World Government” But there were two powerful obstacles to the coup: Kaiser Wilhelm and Czar Nicholas — also, a lesser one in Franz Joseph of Austria-Hungary. That problem was to be solved by a World War which would automatically destroy those obstacles . . . *and don't let anybody ever tell you that that first World War (or the second one) came about for any other reason — the as-*

sassination of the heir to the Austro-Hungarian throne at Sarajevo, *the direct “cause” of the war*, was an ICC job. Also, the war was to provide them with the “housing” for their One-World Government, i.e.: the “League of Nations”.

However, the Masterminds of the ICC knew that the war alone would not completely solve their problem. The plot called for the Allies to win by, *at the proper time*, dragging the U. S. into the war. That was to eliminate Kaiser Wilhelm and Franz Joseph. But with Russia, an Ally, on the winning side, they would still have the Czar to cope with — *and that was when Communism was born!*

In anticipation, Jacob Schiff instructed his “boy”, Leon Trotsky (*true name Bronstein*), to organize a band of “revolutionaries” for the “liberation” of the Russian people. Trotsky sought — *and found* — all of his “revolutionaries” on the East side in New York. Waiting until 1917, just before Wilson hurled us into the war, Schiff chartered a ship, loaded it with twenty million dollars in gold, and shipped Trotsky and his gang of hoodlums off to join Lenin and *his* gang of bandits waiting in Switzerland. A British Destroyer intercepted that ship and *escorted* it to Gibraltar, where the whole Trotsky gang was to have been interned. Schiff promptly *ordered* Wilson to *order* the British to release the ship — with a threat that otherwise the U. S. would not enter the war. Wilson obeyed — the British obeyed — and Trotsky sailed on to join Lenin. And one of the Warburgs, then the trusted Chief of the German Security Police, made the arrangements for the sealed freight cars in which the Lenin-Trotsky gang was smuggled into Russia.

Now, note — *and remember* — the technique Lenin and Trotsky employed to delude the Russian people: They proclaimed themselves to be “agrarian reformers” — that they had come to “liberate” the “workers” — that they would expropriate all of the vast land-holdings of the royal family and the nobility and parcel it out to “the people.” But after Czar Nicholas and his family were murdered and all the nobles were “purged” or in exile, Lenin and Trotsky “suddenly” had a change of heart, to-wit: all of the expropriated lands became property of the State—even the peasants were dispossessed of their little farms — *and the Russian people were hurled into a new form of serfdom.*

Now, the reader can easily recall that Mousey Dung and Chou En Lei employed identically the same technique to enslave all of China. They, too, were “Agrarian Reformers”, *so proclaimed and eulogized by Rockefeller's “Institute of Pacific Relations”,* and so endorsed by George Catlett Marshall and the other BIG BRAINS in Washington . . . *now the State Department, the Pentagon and the White House wail and moan about “the Red Chinese Menace”!*

That very same technique was employed by Infidel Castrovitch (Fidel Castro) in Cuba — with the deliberate and witting help of our State Department and the New York Times with its nation-wide syndicated Editorials.

Note:—For the full details of that heinous act of treason I urge you to send for a copy of our “News-Bulletin” No. 78 (Part 2 of “DOCUMENTATIONS of UN PLOTS FOR TAKE-OVER of U. S.”) . . . “News-Bulletin” No. 77, Part 1 of the above “DOCUMENTATIONS”, contains equally vital information — all News-Bulletins are 50 cents per copy. Ed.

Now, to leave nothing to imagination as to when and by whom the “Communist Menace” was created, digest the following: in 1917, when Lenin and Trotsky invaded Russia, they did it in the name of “The Bolsheviki Party”. In 1918 Jacob Schiff sent his stooge, Col. House (Wilson's mentor), to Moscow with instructions to Lenin to change the name of his regime from “Bolsheviki” to “Communist” and to

adopt the Marx Manifesto as his "Constitution". And Lenin obeyed! . . . For further emphasis: that "Agrarian Reformer" technique was laid out (originally for Lenin-Trotsky) by Paul Warburg, Schiff's chief lieutenant.

*In short, Lenin's Communist Government of Russia was the "model" set up by Schiff and his co-conspirators for the One-World Government to—be of the Internationalist-Communist Conspiracy!*

### BIRTH OF THE "UNITED NATIONS"

Now, as we know, out of World War One there emerged "The League of Nations", which was intended to be the "housing" for the ICC's One-World Government. But that trap was a flop from the outset — *but only for one reason*: despite all the frenzied efforts of Woodrow Wilson, *the first of the ICC's White House tools*, they were not able to suck the United States into it — *and the ICC boys know that as long as the United States will continue to be a free and sovereign nation they will never be able to spring their One-World trap!*

The plotters quickly recognized the futility of their "League of Nations" — it was too clumsily put together. They knew they'd have to create a new "housing" — find new ways and means, plus a more effective (than Wilson) Pied Pieper to suck us into the new "housing". Moreover, they knew they would have to inject far more enticement — *especially for the American people* — into their PEACE bait. Only one thing could do that — another, *and even more devastating, World War!* . . . a war that would make PEACE worth any price — *even the surrender of sovereignty and all personal freedoms, to the new "housing" (the United Nations) that was to emerge out of World War Two!*

Note:—The details of this latter phase of the ICC plot is concisely told in "News-Bulletin" No. 76 ("ONLY IMPEACHMENTS WILL SAVE OUR COUNTRY"), 50 cents per copy.

Now the first thing to bear in mind about the "United Nations" is that its "Charter" was written by Russian Spy-traitor Alger Hiss and Moscow's Molotov. This Charter was far more craftily put together than was that of the defunct "League of Nations". When completed it contained a number of craftily camouflaged "Gimmicks", any one of which — *if our Senate had approved it* — would have automatically given the UN the same enslavement control over the American people that Moscow wields over Hungary and all of the Satellite peoples.

The first of those "gimmicks" was the "International Court of Justice", more commonly known as the UN's "World Court". Now, get this: The "World Court" is composed of 15 so-called "Justices". All the "Justices" are appointed by the UN. Fourteen of the "Justices" are Foreigners who violently hate America (3 are Communists) — the U. S. is represented by one "Justice". Now guess who that "Justice", *recently appointed (in anticipation of the repeal of the Connally Amendment)* is—none other than Philip Jessup, a notorious American renegade who perhaps more than any other one man is responsible for the delivery of China to Communism — who is a *documented* Communist tool and traitor to the United States! By the grace of God, Senator Tom Connally quickly pierced through the "World Court" gimmick. Ostensibly, this "Court" was to have jurisdiction *only* of International affairs, but analysis of the fine print in that "gimmick" revealed beyond any doubt that the "Court" (*therefore the UN*) could assert complete and COMPULSORY jurisdiction over our immigration laws, our tariffs, interstate commerce, the Segregation question, all "Minority Group" disputes, *our* control of the Panama Canal — in short, of all our Domestic affairs, as well as Foreign — *and there could be no appeal from its "Decisions" !!! . . .*

Senator Connally torpedoed that "gimmick" with his (Connally Amendment) Reservation. That was in 1945. Yet, in 1960, Eisenhower, Nixon, Attorney General Rogers, Herter and several of our radical (Leftist) Senators frenziedly fought to repeal that Amendment and thus give the UN and its "World Court" COMPULSORY jurisdiction over the United States and the American people! All those men, *to whom we entrusted the security of our nation*, know full well what such a repeal would do to our country . . . *is there any other word but TREASON to fit such an act?*

Our "World Court" Tract reveals the full story of that intended act of Treason . . . only the hundreds of thousands of those Tracts (*signed by their constituents*) that poured into all the Senators' offices — plus the help of the loyal (*but pitifully few*) newspapers — prevented the repeal of the Connally Amendment.

Which proves *conclusively* that we CAN "get the story to the people" if YOU and YOU and YOU will help as you did with the "World Court" Tract — and it proves *conclusively* that when we "get the story to the people" we, the people, can easily stop all acts of treason . . . *it proves conclusively that the salvation of our country is in our hands if we but use our power . . . it proves conclusively that no Senator and no Representative will DARE to collaborate with, or support, any acts of treason IF his constituents tell him in no uncertain language that it will mean the end of his political career!*

And now let's go to the other cute little "gimmicks" in that Alger Hiss craftily written UN Charter:

But first, there is one thing you must always remember: no matter how it looks, the Masterminds of the Great Conspiracy NEVER give up on any of their schemes. When a particular scheme is torpedoed, they SEEMINGLY abandon it. But don't let that fool you — they merely "put it on ice", to try it all over again as soon as "the people" go back into slumberland . . . *you have the proof of it in the case of the "Connally Amendment"*.

As soon as the "World Court" gimmick was exposed the Masterminds hastily "forgot" it — and promptly pulled out another UN Charter "gimmick" which could achieve *almost* the very same objective . . . said objective being to get for the UN the very same (enslaving) control over the American people that the Kremlin banditti have over the Russian people. The new "gimmick" is the "GENOCIDE TREATY". This "gimmick" is "humanitarian" — *oh, so very "humanitarian!"* It was (ostensibly) set up to prevent mass murders such as was perpetrated by Hitler (*no word about Lenin's or Stalin's mass murders*). But the important point is that the "GENOCIDE" law would protect only the members of "Minority Groups" in America, primarily Negroes and Jews. To save the space on this Report, I urge you to get a copy of our "GENOCIDE" Tract and our August 1960 "Special Emergency Bulletin". You will be *horrified* when you will see what the "Genocide Treaty" will do to YOU and to every White American — when and if, God forbid, the Senate will sign that "Treaty."

Anyway, when the "World Court" scheme was exposed and torpedoed, the UN promptly (*but secretly*) submitted the "GENOCIDE" Treaty to our Senate Foreign Relations Committee for approval — *first having secured for it the "blessings" of the State Department (Dean Acheson) and Truman.*

We (CEG) learned about it through a loyal American employee (a secretary) in the office of the Senate Foreign Relations Committee. We also learned that the Committee had given the "Treaty" their approval (*on orders from the top*) and set a date for its submission to the Senate.

We immediately revealed the plot in all its grisly details in a Special "News-Bulletin" — and followed it up with a

Tract (*to be signed*) and rushed to all Senators. At the same time I went to Washington and alerted Senator Pat McCarran. Amazingly, McCarran — *indeed, most of the Senators* — knew nothing about this UN "Genocide Treaty". It was all to be done very hush-hush, and no copies of the Treaty had been sent to the individual Senators. Only the (*trusted*) Senate Foreign Relations Committee had been provided with a copy — marked "TOP SECRET"!

When McCarran read the copy I submitted to him he was horrified. He immediately denounced the "Treaty" — and warned all the Senators that any one of them who would vote for the "Treaty" would be branded as a 20th Century Benedict Arnold — and that he (McCarran) would do the branding in a manner to reach all of the American people.

That did it! The frightened UN masterminds hastily withdrew the "Treaty" — *to try it again after "the people" would "forget" all about it.*

After those two "miscarriages" they decided to try their scheme from an altogether different angle — which, they hoped, would be accepted by "*the people*" as a "grass roots" crusade for PEACE. Thus, in March 1947, a motley gang of Communists, pro-Communists, Fellow-Travelers and Pinks of all hues assembled in Asheville, No. Carolina. And out of that gathering there emerged the infamous "UNITED WORLD FEDERALISTS". Officered by notorious Reds, its Board of Directors contained *Forty Two* similarly notorious Reds. Their scheme was quite simple — it was to seduce 36 State Legislatures to pass a Resolution memorializing Congress to transform the United States into a unit of a (UN) One-World Government, to which "Government" we (the U. S.) would surrender our armed forces and our A Bomb (*no other nation had the A Bomb at that time*). The whole thing was to be done very secretly, via political coercion and bribery — nobody was to know anything about it until it was a sure-fire fait accompli.

Well, in 1950, we (CEG) torpedoed that traitorous plot at a (forced) public hearing before the California Legislature. I am sure that every reader of this Report knows that entire story, so we won't waste this space with a repeat of it. But I do wish to stress (again) that that incident conclusively proves that we CAN "*get the story to the people*" . . . and when we do, "*the people*" CAN prevent all forms of treason — and drive disloyal solons out of political life!

In view of all of the foregoing there is no need to dwell on all of the other "gimmicks" in the UN Charter — but for those who wish further details, I again suggest the earlier mentioned "News-Bulletins".

### SHALL WE SURRENDER THE PANAMA CANAL?

Eisenhower's "Executive Order" to raise the flag of Panama in the Panama Canal Zone was another reprehensible 1960 "event." To fully understand the vast — and grave — importance of that act we must go back to the surrender of the Suez Canal to pro-Communist Nasser — and view the entire matter from the overall strategy of the Great Conspiracy. The chief objective of the Conspiracy is to cut off all the life lines of the Free World — and finally drive us into what can best be described as a cul-de-sac.

Now, the Suez Canal was — and still is — one of the vital life lines of the world. As we know, it was built and operated from its inception by France and Britain under a perfectly valid lease and contract with Egypt. Early in the 1950s Nasser announced his intention to "expropriate" the Canal. Both France and England promptly warned him that the very first move in that direction would be finish for him. Nasser promptly "shut up". But at the time that

Eisenhower was palsy-walsying with Zhukov and Khrushchev in Geneva Nasser — *with the "moral" support of Moscow* — suddenly moved into the Canal. France and England promptly dispatched expeditionary forces to hurl him out. At that point the United States stepped into the picture — by United States I mean, of course, Eisenhower and the State Department — *they FORCED France and Britain to surrender the Canal to Nasser !!!*

That was a terrific victory for the Enemy. It set up a wonderful precedent — FOR THEM! If the United States considered it "justifiable" for France and Britain to surrender the Suez Canal in Egypt, it should be equally "justifiable" for the U. S. to surrender the Panama Canal to Panama. The Reds in Panama promptly began to scream for it, and the Panamanian government demanded the right to hoist the Panamanian flag in the Canal Zone — *as a symbol of its territorial suzerainty.* Naturally, our Commander in the Zone rejected the demand. It was referred to Washington. At a hearing before the House of Representatives (*in 1960*) the demand was overwhelmingly rejected . . . Eisenhower waited until Congress recessed — and then issued an "Executive order" to hoist the flag of Panama in our Canal Zone !!!

No word but TREASON fits that deed! It most assuredly was an act of malfeasance! *For that alone Eisenhower should promptly have been impeached !!!*

That same precedent provides the Cuban Beatnik with the "excuse" to demand the surrender of our Guantanamo Naval Base — as it also served as his "right" to "expropriate" (*outright theft*) of all American-owned properties in Cuba — and the "execution" (murder) of United States citizens! . . . *Can you imagine anything like that happening with a Teddy Roosevelt kind of an American in the White House?*

### ONE WORLD (UN) GOVERNMENT ON THE WAY

When the "United Nations" was set up it was obvious that, even though Moscow was given three votes to our (*and other nations*) one, the majority of the UN membership would be Western, and would therefore vote with the U. S. That did not disturb the "Masterminds". *They looked ahead* — to the time when there would be fifty or more additional member "nations" in the UN — all NEW "nations" — each one with a vote equal to that of the U. S. — *practically ALL to vote as instructed by Moscow!* How would they accomplish that? *Why, the U. S. would do that little chore for them!* Here is how it was done:

The United States emerged from World War Two as the most powerful nation the world has even known — far more powerful than Russia and all the other nations rolled into one. The world had to "listen" to us. And then, all of a sudden, we became frenziedly "humanitarian" — to prove our "humanitarianism", the boys in Washington decided to give away all of the wealth of the American tax-payers, via "Foreign Aid", to the poor and have-not peoples of the world (*including the Communist nations !!!*). Simultaneously, our great "statesmen" in Washington began to "righteously" denounce the "Colonialism and Imperialism" which held enslaved the peoples in Africa and Asia — *oh, not the "Colonialism" of Moscow, of course, only the "brutal Colonialism" of the Western nations!* . . . they have never uttered a peep about the enslavement of the Balkan states and Eastern Europe.

As a result, *forced by the United States*, England dissolved her empire — France was forced out of Indo-China — Holland gave up Indonesia and all of her overseas possessions — Belgium "freed" the Congo and all of

(Continue with enclosed supplementary sheet)

(Continued from page 4)

her African colonies, etc., etc. And all those former colonies became "nations". But what kind of "nations"? Most of them are just tribes of savages, which (*as in the Congo*) have been looting, torturing, raping and murdering all whites and each other (*yes, and eating each other*) from the moment they were "freed" — tribes of head-hunters — tribes of cannibals, etc., etc., ranging in population from less than a quarter-million to a few million. And what kind of men head those "nations"? Patrice Lumumba, a former beer peddler who had served time for thieveries, embezzlements, even homicide, is the most publicized one. But, for a more startling example, I give you one Leon M'ba, President of Gabon, one of the new African "nations" recognized and admitted into the UN: this "head" of a "nation" had to complete a four-year penitentiary sentence before coming to UN headquarters to be sworn in — he had been convicted of eating his mother-in-law and had to serve out his term. This cannibal, when in Washington to visit Eisenhower, was lodged, *with honors*, in the same suite at the Blair House (*as was jailbird Lumumba*) that had been occupied by DeGaulle and other heads of *real* nations.

Thus, the UN has acquired 50 new "nations" (20 in 1960) of the Ghana, Gabon, Nepal, Laos, Congo kind — such are now our "Colleagues" in the UN — all of them ready to follow Moscow's lead in every twist and turn — all already clamoring for the admission of Red China — *all ready, and eager to vote for the transformation of the UN into a One-World Government! . . . Do YOU want that to happen? . . . It will, unless we, the people, force Congress to get the U. S. out of the UN and throw the UN out of the U. S.!*

### ... DANGERS AHEAD! — BE ON GUARD

In November 1952, when Eisenhower landed into the Presidency, the vast majority of the American people heaved a great sigh of relief — and proceeded to forget all about dangers from without and from within . . . we had placed a "military genius" in the White House who would quickly make Moscow behave, *so we thought* — he would administer our Domestic and Foreign affairs like no other President ever did, etc., etc. Well, we know how well he did all those things.

In November 1960 the American people again went to the polls *with distrust and deeply troubled minds*. We had our choice of voting for Nixon, a sly, tricky politician opportunist who would betray us without batting an eye at the behest of his Internationalist masters (*as evidenced by his efforts to repeal the Connally Amendment*) — or for Jack Kennedy, an equally sly and tricky opportunist, who slithered his way into the White House with a raft of brazen false promises.

However, there is one redeeming note in the present situation: we will not have a "God-Man" in the White House during the next four years. Jack Kennedy has no *mandate* from the people! By actual count, he was elected by less than half of those who voted.

Now, let's see what the election of Kennedy foreshadows for the coming four years . . . this comes from sources very close to the new Administration — and has been, directly, or indirectly, affirmed by Kennedy himself and members of his cabinet:

The recognize-Red China-timetable is set as follows: The United States will advise Chiang that we will not protect Quemoy and Matsu . . . the motion to give Chiang's seat in the UN will be introduced by India and carried overwhelmingly. The U. S. will vote "No" but will not veto . . .

Formosa will be turned into a UN mandate policed by "neutralist" Red-loving Indonesia, Egypt, Yugoslavia and India . . . North Korea will be officially recognized and both North and South Korea will go into the UN — as will Outer Mongolia . . . *and everything our boys died for in Korea will go down the Red drain !!!*

Now let's take a quick look at the men Kennedy has picked for his cabinet — we can start with Dean Rusk: Rusk is a Rockefeller "protege." He was a top assistant Sec'y. of State when that Department proclaimed that Korea lay outside of our national interest, *which was the green light for the Korean war . . .* he was closely affiliated with the Rockefeller-financed "Institute of Pacific Relations" when that outfit's Owen Lattimore wrote that "*we must let Korea fall, but we must NOT let it look as if we pushed her . . .*" he (Rusk) was in on *all* of the UN betrayals in the Korean War, including the "deal" whereby all "top secret" reports were routed through the Pentagon to the RUSSIAN Military Chief of the UN . . . *now he is our Secretary of State— shades of Acheson and Alger Hiss !!!*

Next we have Adlai Stevenson — do I have to review this man's background? Even as he was being sworn into his job, he *warned* that Red China would have to be admitted into the "United Nations" . . . it is equally unnecessary to review Chester Bowles' background — Charles (Chip) Bohlen was one of the chief figures in the secret betrayals of YALTA — the new Secretary of Labor is one Goldberg, until now the Attorney for the CIO (Walter Reuther)—Little Brother Bobby is the Attorney General . . . in Washington it is commonly known that already the "hush-hush" undercover intelligence set-up with which the Labor Department was preparing to slap down violators of the Landrum-Griffin Act, *particularly Reuther's CIO*, will be hog tied by the new Secretary and Attorney General — *and the Act itself is to be emasculated!*

And now fasten your seat for this shock: Kennedy's choice for head of the Federal Housing Agency is one Robert C. Weaver, *a negro!* He is Board Chairman of NAACP, a violent Desegregationist (naturally), constantly screaming for laws to force White communities to rent and/or sell their choicest residential properties to negroes — and to top all that off, *he is a flaming Red*, so documented by the House Un-American Activities Committee . . . *talk about conflicts of interests !!!*

Such are the men into whose hands we are newly entrusting the destiny of our nation — NAACPers, ADLers, "Liberals" and Pinks of various types and hues — *our despoiling wolves!*

And bear this in mind — **NEVER FORGET IT** — Kennedy has pledged himself to get the "Connally Amendment" repealed . . . he has promised to force the Senate to approve and sign the "Genocide Treaty" . . . he has proclaimed time and again that he would deliver to Red China the Matsu and Quemoy Islands — which would automatically spell the end for Chiang and Formosa!

Is there any need to further stress the dangers foreshadowed by the election of Kennedy? All we can do is pray that God help us — He *will* help us, *but only if we help ourselves . . .* and here is how we must help ourselves.

Under our Constitution, Congress is the supreme authority of our government. Congress, and only Congress, can prevent and/or punish the President for malfeasance in office — likewise the State Department, the Pentagon, the Supreme Court Justices. In these days we, the people, have Congress as our only bulwark against the destruction of our nation. On the other hand, the career of every member of both Houses of Congress is in the hands of the people — *of his constituents*. We, the people, can force our Senators

and Representatives to obey our demands for the salvation of our country . . . but we must tell them in no uncertain language what we want them to do. And that is exactly what we (CEG) are going to do — we will do it by “*getting the story to the people*” — with YOUR help.

### OUR 1961 OBJECTIVES

Beginning with this Year-End Report, we (CEG) are going to launch a massive crusade to get Congressional action for each of the following objectives:

No. 1:—Prevent the repeal of the “Connally Amendment”.

We torpedoed *that* Eisenhower-Nixon-Rogers plot. *But the danger remains*—Kennedy is pledged to try it again. We must flood every Senator with our “World Court” Tract — to warn them of that danger — and to initiate impeachment proceedings the moment of any new attempts. There wasn’t enough time to impeach Eisenhower — but the above named trio can still be hauled up for malfeasance while in office . . . but, *for the love of God and Country*, keep warning the Senators with signed Tracts and letters.

No. 2:—Another, *and even more horrifying* feature of the entire UN plot is their “GENOCIDE TREATY”. Kennedy will try to force the Senate to approve and sign it. *Flood your Senators — and Representatives — with signed Tracts!*

No. 3:—We must launch a new *and massive* crusade to impeach Warren and all the other Justices who participated in those brazenly traitorous and un-Constitutional “Decisions.” This time we will have the full cooperation of several other powerful patriotic groups. Bear this in mind: the impeachment proceedings (hearings) before the Senate will reveal the entire plot — it will unmask ALL the traitors — *it will blow the whole Conspiracy wide open!* Impeachment proceedings have to be initiated in the House of Representatives — and tried by the Senate. We must *flood* all members of both Houses with “Tract” SCJ No. 1 (WANTED — EARL WARREN — FOR IMPEACHMENT). This “Tract” tells the full story of his treason — *it can’t be disputed!* . . . Signed “Tracts” from *their constituents* will force Congress to take action.

No. 4:—Haul in the UN for a thorough *public* “Hearing” before Congress, and a review of the Charter — *exactly as we forced the California Legislature to haul in the “United World Federalists” for a review of their traitorous “Resolution”*. That review forced the rescission of that “Resolution” — a review of the UN Charter will reveal its treason to the U. S. and force Congress to of the U. S. To achieve such a review we must flood ALL members of Congress with our UN Tract No. 1 and UN Tract No. 2. *They must go in as a unit.* UN Tract No. 1 reveals, *with documentary proof*, the entire UN plot — how they betrayed us *and murdered our boys* in the Korean War . . . UN Tract No. 2 verifies it — and quotes *verbatim* from Trygvie Lie’s book the proof of the secret agreement between Alger Hiss and Molotov whereby a RUSSIAN would *always be* the Chief of the UN Military Secretariat.

The success of any one of those objectives can smash the entire Conspiracy. Do you think they are worth fighting for? *Of course, you do.* Very well, for the love of God and Country, “*get the story*” to your friends and neighbors — get them to join us in the fight for the salvation of our beloved country.

One more point: we must launch this Crusade on the theory that all our past “Tract” campaigns are down the drain — they’re not *actually*. All of them are well planted, but, unfortunately, the people forget — they have to be

reminded — and reminded — and *reminded*. Likewise with your Senators and Congressmen — the greater the volume of demands for action (*signed “Tracts”*) we pour in on them, the sooner will they realize that their *constituents* mean BUSINESS.

### PLEASE SEND US YOUR 1961 DUES

As you know, we defray all of our operational financing from our membership dues. We get no financial help from Foundations — *we are too patriotic for them* — we have no rich “angels”. Now we have this tremendous job ahead of us. It will require an enormous amount of printing, postage, labor — but I am sure you agree that it is a job that **MUST** be done. So I now have a very vital and urgent request: please endeavor to enlist some of your friends to become members of CEG — the dues is only \$12.00 a year (*plus any voluntary addition*) — surely, the salvation of our glorious country is worth \$12.00 to all loyal Americans . . . *also, if you have not yet sent in your dues for 1961, please do it now — TODAY . . .* We need it **NOW** to cover the tremendous mailing to launch this crusade — and every extra dollar we will receive will enable us to do just that much more. **PLEASE DO IT TODAY!**

### ANOTHER WAY YOU CAN HELP

To all intents and purposes we are launching this Crusade from scratch. That means we must once again contact all patriots throughout the nation (including non-members of CEG) who co-worked with us in the past. That means approximately 25,000 individuals — plus heads of ALL patriotic groups, American Legion and VFW Posts, DAR Chapters, etc. We are sending this Year-End Report to 10,000 of these carefully picked patriots, but we do not have the finances to cover the other 15,000. If you approve of our objective, please finance a few letters for us. One Dollar will finance 8 letters — ten dollars will finance 80 letters — One Hundred dollars will finance 800 . . . also, you may have a group of friends and neighbors whom you’d like to “alert” but can’t spare the time to do it — *or prefer to remain anonymous* — send us the list and the financing and we will be *very* glad to do it for you.

Yours for God and Country,

*Myron C. Fagan*

### SPECIAL NOTICE

Our January “News-Bulletin” will be devoted entirely to The Reds have suddenly acquired new and amazing “protectors”. The revelations in this forth-coming “News-Bulletin” will startle and shock you. But this is to advise that the necessary research work to flush out these new Red “protectors” will delay this issue a week or two.

Also, we had hoped to issue a new and up-to-date edition of our “Documentations of the Reds and Fellow-Travelers in Hollywood, Radio and TV” in February. The same need of additional research work will delay the book until late in March . . . Sorry, but our reportings must be so accurate that nobody can cast any doubt on them. I am sure you understand the delay.

Incidentally, the “News-Bulletin” will reveal the full Chet Huntley story in all its details.

Sincerely,

*Myron C. Fagan*

Additional copies of this “Year-End Report”  
(and supplement)  
can be had for 15c a single copy —  
or 8c per copy in quantities.

Dear Mr. [REDACTED]:

Your letter of March 26, 1961, with enclosure, has been received, and the interest which prompted you to write is appreciated.

While I would like to be of assistance, the FBI is strictly an investigative agency of the Federal Government and, as such, does not furnish evaluations or comments relative to the character and integrity of any individual, organization or publication. Information in our files is considered confidential and available for official use only in accordance with regulations of the Department of Justice. I hope you will not infer, however, either that our files do or do not contain data regarding your inquiries.

The pamphlet you forwarded has been brought to our attention on a number of occasions in the past. It indicates that statements found therein are documented in the files of certain Government investigating agencies, but I would like to assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to information contained in the files of the FBI.

Enclosed are several reprints regarding the general subject of communism which may be of interest to you, together with the pamphlet you sent. I am also forwarding copies of this material to Mr. [REDACTED].

There is no charge for these items.

Sincerely yours,

Mr. J. Edgar Hoover  
Director, FBI  
Washington, 25, D.C.

Dear Mr. Hoover:

We understand you have all sorts of articles on communism in America. We are very interested in securing copies of the most crucial articles written. We therefore would appreciate it if you would send both of us some of this material. We don't know exactly what to ask for since we don't know what you have; only that we know you personally have mailed material to others. If there is any cost for such articles please advise.

There is much anti-communist material in circulation and many men speaking out against communism, such as Dr. Fred Schwartz, Kenneth Goff, who, after believing in Jesus Christ as personal Savior, turned his communist activity documents over to the Dies Committee in the forties, and [redacted]. We want your word and the validity of many of these men. Also, what is the validity and truth about such groups as the one which published the enclosed tract? We are cognizent of much communist activity as demonstrated in the San Francisco riots filmed in "Operation Abolition," but just how many such anti-communist groups are true? Are you in a position to tell the American public specifics and individual personalities who are communists and have pro-communist records even if it does stigmatize them? We as Believers in Christ, and I, [redacted], as a minister of the Gospel of Christ must know the specific facts whether people believe them or not. For these reasons our words to others can be substantiated by your much appreciated effort in combating lawlessness and anti-godliness in America.

We thank you exceedingly for the good work you are doing, and for all of the materials you will send us. (notify of any cost)

Sincerely yours,

Enclosure was a pamphlet concerning "Reds" in Hollywood and TV which has come to the Bureau's attention in the past. The Cinema Educational Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Myron C. Fagan, its national director, has, in the past, attempted to use the Director's name in furtherance of his programs, and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner. March 29, 1961

Dear Sir:

*Cinema Educational Guild*

On March 13, 1961 we received through one of our students the pamphlet that is enclosed labeled "Freedom Forum".

In this pamphlet it states that many of our movie stars and other prominent people are communists. When the pamphlet was read in our U. S. History class everyone was rather shocked, and everyone wanted to know if the pamphlet was true. If it isn't true, then how does such a wide spread pamphlet get started in such a big town?

It would contribute very much to us and to our education if you would send us some information on this pamphlet and how we are to know what is true and what is propaganda.

You can send the information to [redacted] teacher, Mr. [redacted], at <sup>2</sup>Lutheran High School at 3. 6901 Woodridge, <sup>4</sup>Houston 17, Texas.

Sincerely yours,

1. Mr. [redacted]

# YEAR-END REPORT for our MEMBERS

*But which every loyal American should read very carefully — DIGEST every word in it — then READ IT AGAIN! . . . Because this is not just a REPORT of what happened during the past year, it is also a crystal clear review of the pattern of treason that, since 1932, has been gradually destroying all the Constitutional safeguards of our nation . . . but, even more important, this REPORT is also a BLUEPRINT for —*

## THE SALVATION OF OUR COUNTRY !!!

Dear Compatriot:

For me, as it should be for all loyal Americans, 1960 was a never-to-be-forgotten year. It was a year full of startling and shocking events . . . events which starkly revealed the horrifying treason *deliberately* perpetrated by our State Department (*Cuba, for just one example*) and by men holding the highest offices in the Land — including the White House . . . events that conclusively established that our Press (*particularly the N. Y. Times ilk*), Radio, TV, all our mass communications media, are collectively the chief treason propaganda and brainwashing apparatus of the ICC (*Internationalist-Communist Conspiracy*) . . . events which clearly foreshadow the kind of political chicaneries and treason we may expect during the coming four years — *unless we (the people) come awake and prevent it!* . . . events, which I will later cite, which show with crystal clarity that we (the people) have the power to prevent all acts of treason and political chicaneries — that WE have the power to drive all traitors and collaborators out of Washington — that WE have the power to smash to smithereens the entire Great Conspiracy — IF, as former Senator Jenner constantly exhorted, we will “get the story to the people”.

But that “IF” is our greatest problem — because the ICC, our sinister “Enemy Within” has (virtually) complete control of all our mass communications media — that is their “Iron Curtain” that has been making it impossible to “get the story to the people”. But it is not an insurmountable problem — that “Iron Curtain” CAN be pierced! We have done it before. We can do it again — if YOU and YOU and YOU will carry out the directions you will find in this Report.

And now I will digress for a moment to stress one point which will emphasize how VITAL this Report is — and why you should STUDY every word in it.

Not since the days of Genghis Khan has the world been in such panic, fright and despair as it is today. Seven hundred years ago Genghis Khan (*and his Mongol Hordes*) was the dread Menace that held the entire then known world in a grip of constant terror. Today, Communism is the dread Menace of our entire world — and with their constant threats of Nuclear extinction, our panic is even greater than was the panic of the peoples of seven hundred years ago.

And the bitter irony of it all is that we have no one to blame but ourselves for the horrible mess the world is in today. Communism would have been a dead issue many years ago were it not for the United States . . . the U. S. (Franklin Roosevelt) saved it from utter collapse in the early 1930s . . . the U. S. again saved it in World War Two . . . and in 1945 the U. S. provided it with the means into becoming the frightful Menace that it is today.

I will go even further: Communism would never have come into existence were it not for certain elements in the U. S. It was birthed in the U. S. — it was nurtured, financed and organized in the U. S. In short, like Frankenstein, we (the U. S.) created the Communist (Monster) Menace . . . and, just as the Frankenstein-created Monster finally destroyed its creator, so is our created Monster well on the way to destroy us. *But we still have a way to save ourselves* — if we will but use the brains God gave us — and the powers our Founding Fathers provided for us.

Now, first I will qualify the matter of the responsibility of the American people: we, the people, are NOT to blame for the actual deeds that created the Menace of Communism, but we ARE to blame for our sheer stupidity (*despite all warnings and obvious evidences*) in consistently entrusting the destiny of our nation to unscrupulous and unprincipled political charlatans — men whom even the word Judas does not begin to describe — renegades who have been *deliberately* betraying our country and our people to the ICC, the most sinister gang of conspirators in the known history of the world!

### THE (ICC) INTERNATIONALIST-COMMUNIST CONSPIRACY

To get a clear conception of what is happening to our country — how it is slowly but surely being betrayed toward destruction — one must have a clear understanding of the overall Great Conspiracy that is doing it.

Space limitation of this Report won't permit my going into all the phases of this Conspiracy. Our long-time (CEG) members know all about the entire horrendous plot, inasmuch as we published it in all of its details in various of our early “News-Bulletins”. But for the enlightenment of those who have not read those “News-Bulletins” I will briefly pinpoint the salient features of this Great Conspiracy. That will give you a clear as crystal blue print of their pattern of Treason — and it will starkly reveal how each of those 1960 “events” fits perfectly into the general scheme of the Conspiracy.

The Great Conspiracy was launched way back in the Civil War era with the arrival in the United States of one Jacob H. Schiff (*a so-called immigrant*), a House of Rothschild agent, later best known as the head of Kuhn-Loeb and Company. His first assignment was to get control of our (U. S.) money system — *the life blood of any nation!* Under our Constitution, which gives all that power to Congress, that objective should have been utterly impossible — but with the help of two traitors in the White House (*Woodrow Wilson and Franklin Roosevelt*) they succeeded.

During the remaining years of the 19th century Schiff's

Tract (*to be signed*) and rushed to all Senators. At the same time I went to Washington and alerted Senator Pat McCarran. Amazingly, McCarran — *indeed, most of the Senators* — knew nothing about this UN "Genocide Treaty". It was all to be done very hush-hush, and no copies of the Treaty had been sent to the individual Senators. Only the (*trusted*) Senate Foreign Relations Committee had been provided with a copy — *marked "TOP SECRET"*!

When McCarran read the copy I submitted to him he was horrified. He immediately denounced the "Treaty" — and warned all the Senators that any one of them who would vote for the "Treaty" would be branded as a 20th Century Benedict Arnold — and that he (McCarran) would do the branding in a manner to reach all of the American people.

That did it! The frightened UN masterminds hastily withdrew the "Treaty" — *to try it again after "the people" would "forget" all about it.*

After those two "miscarriages" they decided to try their scheme from an altogether different angle — which, they hoped, would be accepted by "*the people*" as a "grass roots" crusade for PEACE. Thus, in March 1947, a motley gang of Communists, pro-Communists, Fellow-Travelers and Pinks of all hues assembled in Asheville, No. Carolina. And out of that gathering there emerged the infamous "UNITED WORLD FEDERALISTS". Officered by notorious Reds, its Board of Directors contained *Forty Two* similarly notorious Reds. Their scheme was quite simple — it was to seduce 36 State Legislatures to pass a Resolution memorializing Congress to transform the United States into a unit of a (UN) One-World Government, to which "Government" we (the U. S.) would surrender our armed forces and our A Bomb (*no other nation had the A Bomb at that time*). The whole thing was to be done very secretly, via political coercion and bribery — nobody was to know anything about it until it was a sure-fire fait accompli.

Well, in 1950, we (CEG) torpedoed that traitorous plot at a (forced) public hearing before the California Legislature. I am sure that every reader of this Report knows that entire story, so we won't waste this space with a repeat of it. But I do wish to stress (again) that that incident conclusively proves that we CAN "*get the story to the people*" . . . and when we do, "*the people*" CAN prevent all forms of treason — and drive disloyal solons out of political life!

In view of all of the foregoing there is no need to dwell on all of the other "gimmicks" in the UN Charter — but for those who wish further details, I again suggest the earlier mentioned "News-Bulletins".

### SHALL WE SURRENDER THE PANAMA CANAL?

Eisenhower's "Executive Order" to raise the flag of Panama in the Panama Canal Zone was another reprehensible 1960 "event." To fully understand the vast — and grave — importance of that act we must go back to the surrender of the Suez Canal to pro-Communist Nasser — and view the entire matter from the overall strategy of the Great Conspiracy. The chief objective of the Conspiracy is to cut off all the life lines of the Free World — and finally drive us into what can best be described as a cul-de-sac.

Now, the Suez Canal was — and still is — one of the vital life lines of the world. As we know, it was built and operated from its inception by France and Britain under a perfectly valid lease and contract with Egypt. Early in the 1950s Nasser announced his intention to "expropriate" the Canal. Both France and England promptly warned him that the very first move in that direction would be finish for him. Nasser promptly "shut up". But at the time that

Eisenhower was palsy-walsying with Zhukov and Khrushchev in Geneva Nasser — *with the "moral" support of Moscow* — suddenly moved into the Canal. France and England promptly dispatched expeditionary forces to hurl him out. At that point the United States stepped into the picture — by United States I mean, of course, Eisenhower and the State Department — *they FORCED France and Britain to surrender the Canal to Nasser !!!*

That was a terrific victory for the Enemy. It set up a wonderful precedent — FOR THEM! If the United States considered it "justifiable" for France and Britain to surrender the Suez Canal in Egypt, it should be equally "justifiable" for the U. S. to surrender the Panama Canal to Panama. The Reds in Panama promptly began to scream for it, and the Panamanian government demanded the right to hoist the Panamanian flag in the Canal Zone — *as a symbol of its territorial suzerainty*. Naturally, our Commander in the Zone rejected the demand. It was referred to Washington. At a hearing before the House of Representatives (*in 1960*) the demand was overwhelmingly rejected . . . Eisenhower waited until Congress recessed — and then issued an "Executive order" to hoist the flag of Panama in our Canal Zone !!!

No word but TREASON fits that deed! It most assuredly was an act of malfeasance! *For that alone Eisenhower should promptly have been impeached !!!*

That same precedent provides the Cuban Beatnik with the "excuse" to demand the surrender of our Guantanamo Naval Base — as it also served as his "right" to "expropriate" (*outright theft*) of all American-owned properties in Cuba — and the "execution" (murder) of United States citizens! . . . *Can you imagine anything like that happening with a Teddy Roosevelt kind of an American in the White House?*

### ONE WORLD (UN) GOVERNMENT ON THE WAY

When the "United Nations" was set up it was obvious that, even though Moscow was given three votes to our (*and other nations*) one, the majority of the UN membership would be Western, and would therefore vote with the U. S. That did not disturb the "Masterminds". *They looked ahead* — to the time when there would be fifty or more additional member "nations" in the UN — all NEW "nations" — each one with a vote equal to that of the U. S. — *practically ALL to vote as instructed by Moscow!* How would they accomplish that? *Why, the U. S. would do that little chore for them!* Here is how it was done:

The United States emerged from World War Two as the most powerful nation the world has even known — far more powerful than Russia and all the other nations rolled into one. The world had to "listen" to us. And then, all of a sudden, we became frenziedly "humanitarian" — to prove our "humanitarianism", the boys in Washington decided to give away all of the wealth of the American tax-payers, via "Foreign Aid", to the poor and have-not peoples of the world (*including the Communist nations !!!*). Simultaneously, our great "statesmen" in Washington began to "righteously" denounce the "Colonialism and Imperialism" which held enslaved the peoples in Africa and Asia — *oh, not the "Colonialism" of Moscow, of course, only the "brutal Colonialism" of the Western nations!* . . . they have never uttered a peep about the enslavement of the Balkan states and Eastern Europe.

As a result, *forced by the United States*, England dissolved her empire — France was forced out of Indo-China — Holland gave up Indonesia and all of her overseas possessions — Belgium "freed" the Congo and all of

(Continue with enclosed supplementary sheet)

(Continued from page 4)

her African colonies, etc., etc. And all those former colonies became "nations". But what kind of "nations"? Most of them are just tribes of savages, which (as in the Congo) have been looting, torturing, raping and murdering all whites and each other (yes, and eating each other) from the moment they were "freed" — tribes of head-hunters — tribes of cannibals, etc., etc., ranging in population from less than a quarter-million to a few million. And what kind of men head those "nations"? Patrice Lumumba, a former beer peddler who had served time for thieveries, embezzlements, even homicide, is the most publicized one. But, for a more startling example, I give you one Leon M'ba, President of Gabon, one of the new African "nations" recognized and admitted into the UN: this "head" of a "nation" had to complete a four-year penitentiary sentence before coming to UN headquarters to be sworn in — he had been convicted of eating his mother-in-law and had to serve out his term. This cannibal, when in Washington to visit Eisenhower, was lodged, with honors, in the same suite at the Blair House (as was jailbird Lumumba) that had been occupied by DeGaulle and other heads of real nations.

Thus, the UN has acquired 50 new "nations" (20 in 1960) of the Ghana, Gabon, Nepal, Laos, Congo kind — such are now our "Colleagues" in the UN — all of them ready to follow Moscow's lead in every twist and turn — all already clamoring for the admission of Red China — all ready and eager to vote for the transformation of the UN into a One-World Government! . . . Do YOU want that to happen? . . . It will, unless we, the people, force Congress to get the U. S. out of the UN and throw the UN out of the U. S.!

### DANGERS AHEAD! — BE ON GUARD

In November 1952, when Eisenhower landed into the Presidency, the vast majority of the American people heaved a great sigh of relief — and proceeded to forget all about dangers from without and from within . . . we had placed a "military genius" in the White House who would quickly make Moscow behave, so we thought — he would administer our Domestic and Foreign affairs like no other President ever did, etc., etc. Well, we know how well he did all those things.

In November 1960 the American people again went to the polls — with disgust and deeply troubled minds . . . we had our choice of voting for Nixon, a sly, tricky political opportunist who would betray us without batting an eye at the behest of his Internationalist masters (as evidenced by his efforts to repeal the Connally Amendment) — or for Jack Kennedy, an equally sly and tricky opportunist, who slithered his way into the White House with a raft of brazen false promises.

However, there is one redeeming note in the present situation: we will not have a "God-Man" in the White House during the next four years. Jack Kennedy has no mandate from the people! By actual count, he was elected by less than half of those who voted.

Now, let's see what the election of Kennedy foreshadows for the coming four years . . . this comes from sources very close to the new Administration — and has been, directly, or indirectly, affirmed by Kennedy himself and members of his cabinet:

The recognize-Red China-timetable is set as follows: The United States will advise Chiang that we will not protect Quemoy and Matsu . . . the motion to give Chiang's seat in the UN will be introduced by India and carried overwhelmingly. The U. S. will vote "No" but will not veto . . .

Formosa will be turned into a UN mandate policed by "neutralist" Red-loving Indonesia, Egypt, Yugoslavia and India . . . North Korea will be officially recognized and both North and South Korea will go into the UN — as will Outer Mongolia . . . and everything our boys died for in Korea will go down the Red drain !!!

Now let's take a quick look at the men Kennedy has picked for his cabinet — we can start with Dean Rusk: Rusk is a Rockefeller "protege." He was a top assistant Sec'y. of State when that Department proclaimed that Korea lay outside of our national interest, which was the green light for the Korean war . . . he was closely affiliated with the Rockefeller-financed "Institute of Pacific Relations" when that outfit's Owen Lattimore wrote that "we must let Korea fall, but we must NOT let it look as if we pushed her . . . he (Rusk) was in on all of the UN betrayals in the Korean War, including the "deal" whereby all "top secret" reports were routed through the Pentagon to the RUSSIAN Military Chief of the UN . . . now he is our Secretary of State — shades of Acheson and Alger Hiss !!!

Next we have Adlai Stevenson — do I have to review this man's background? Even as he was being sworn into his job, he warned that Red China would have to be admitted into the "United Nations" . . . it is equally unnecessary to review Chester Bowles' background — Charles (Chip) Bohlen was one of the chief figures in the secret betrayals of YALTA — the new Secretary of Labor is one Goldberg, until now the Attorney for the CIO (Walter Reuther) — Little Brother Bobby is the Attorney General . . . in Washington it is commonly known that already the "hush-hush" undercover intelligence set-up with which the Labor Department was preparing to slap down violators of the Landrum-Griffin Act, particularly Reuther's CIO, will be hog tied by the new Secretary and Attorney General — and the Act itself is to be emasculated!

And now fasten your seat for this shock: Kennedy's choice for head of the Federal Housing Agency is one Robert C. Weaver, a negro! He is Board Chairman of NAACP, a violent Desegregationist (naturally), constantly screaming for laws to force White communities to rent and/or sell their choicest residential properties to negroes — and to top all that off, he is a flaming Red, so documented by the House Un-American Activities Committee . . . talk about conflicts of interests !!!

Such are the men into whose hands we are newly entrusting the destiny of our nation — NAACPers, ADLers, "Liberals" and Pinks of various types and hues — our destiny will be as safe in their hands as a lamb in a den of ravening wolves!

And bear this in mind — NEVER FORGET IT — Kennedy has pledged himself to get the "Connally Amendment" repealed . . . he has promised to force the Senate to approve and sign the "Genocide Treaty" . . . he has proclaimed time and again that he would deliver to Red China the Matsu and Quemoy Islands — which would automatically spell the end for Chiang and Formosa!

Is there any need to further stress the dangers foreshadowed by the election of Kennedy? All we can do is pray that God help us — He will help us, but only if we help ourselves . . . and here is how we must help ourselves.

Under our Constitution, Congress is the supreme authority of our government. Congress, and only Congress, can prevent and/or punish the President for malfeasance in office — likewise the State Department, the Pentagon, the Supreme Court Justices. In these days we, the people, have Congress as our only bulwark against the destruction of our nation. On the other hand, the career of every member of both Houses of Congress is in the hands of the people — of his constituents. We, the people, can force our Senators

and Representatives to obey our demands for the salvation of our country . . . but we must tell them in no uncertain language what we want them to do. And that is exactly what we (CEG) are going to do — we will do it by “*getting the story to the people*” — with YOUR help.

### OUR 1961 OBJECTIVES

Beginning with this Year-End Report, we (CEG) are going to launch a massive crusade to get Congressional action for each of the following objectives:

No. 1:—Prevent the repeal of the “Connally Amendment”. We torpedoed *that* Eisenhower-Nixon-Rogers plot. *But the danger remains*—Kennedy is pledged to try it again. We must flood every Senator with our “World Court” Tract — to warn them of that danger — and to initiate impeachment proceedings the moment of any new attempts. There wasn’t enough time to impeach Eisenhower — but the above named trio can still be hauled up for malfeasance while in office . . . but, *for the love of God and Country*, keep warning the Senators with signed Tracts and letters.

No. 2:—Another, *and even more horrifying* feature of the entire UN plot is their “GENOCIDE TREATY”. Kennedy will try to force the Senate to approve and sign it. *Flood your Senators — and Representatives — with signed Tracts!*

No. 3:—We must launch a new *and massive* crusade to impeach Warren and all the other Justices who participated in those brazenly traitorous and un-Constitutional “Decisions.” This time we will have the full cooperation of several other powerful patriotic groups. Bear this in mind: the impeachment proceedings (hearings) before the Senate will reveal the entire plot — it will unmask ALL the traitors — *it will blow the whole Conspiracy wide open!* Impeachment proceedings have to be initiated in the House of Representatives — and tried by the Senate. We must *flood* all members of both Houses with “Tract” SCJ No. 1 (WANTED — EARL WARREN — FOR IMPEACHMENT). This “Tract” tells the full story of his treason — *it can’t be disputed!* . . . Signed “Tracts” from *their constituents* will force Congress to take action.

No. 4:—Haul in the UN for a thorough *public* “Hearing” before Congress, and a review of the Charter — *exactly as we forced the California Legislature to haul in the “United World Federalists” for a review of their traitorous “Resolution”*. That review forced the rescission of that “Resolution” — a review of the UN Charter will reveal its treason to the U. S. and force Congress to take the U. S. out of the UN and throw the UN out of the U. S. To achieve such a review we must flood ALL members of Congress with our UN Tract No. 1 and UN Tract No. 2. *They must go in as a unit.* UN Tract No. 1 reveals, *with documentary proof*, the entire UN plot — how they betrayed us *and murdered our boys* in the Korean War . . . UN Tract No. 2 verifies it — and quotes *verbatim* from Trygvie Lie’s book the proof of the secret agreement between Algier Hiss and Molotov whereby a RUSSIAN would *always be* the Chief of the UN Military Secretariat.

The success of any one of those objectives can smash the entire Conspiracy. Do you think they are worth fighting for? *Of course, you do.* Very well, for the love of God and Country, “*get the story*” to your friends and neighbors — get them to join us in the fight for the salvation of our beloved country.

One more point: we must launch this Crusade on the theory that all our past “Tract” campaigns are down the drain — they’re not *actually*. All of them are well planted, but, unfortunately, the people forget — they have to be

reminded — and reminded — and *reminded*. Likewise with your Senators and Congressmen — the greater the volume of demands for action (*signed “Tracts”*) we pour in on them, the sooner will they realize that their *constituents* mean BUSINESS.

### PLEASE SEND US YOUR 1961 DUES

As you know, we defray all of our operational financing from our membership dues. We get no financial help from Foundations — *we are too patriotic for them* — we have no rich “angels”. Now we have this tremendous job ahead of us. It will require an enormous amount of printing, postage, labor — but I am sure you agree that it is a job that **MUST** be done. So I now have a very vital and urgent request: please endeavor to enlist some of your friends to become members of CEG — the dues is only \$12.00 a year (*plus any voluntary addition*) — surely, the salvation of our glorious country is worth \$12.00 to all loyal Americans . . . *also, if you have not yet sent in your dues for 1961, please do it now — TODAY . . .* We need it **NOW** to cover the tremendous mailing to launch this crusade — and every extra dollar we will receive will enable us to do just that much more. **PLEASE DO IT TODAY!**

### ANOTHER WAY YOU CAN HELP

To all intents and purposes we are launching this Crusade from scratch. That means we must once again contact all patriots throughout the nation (including non-members of CEG) who co-worked with us in the past. That means approximately 25,000 individuals — plus heads of ALL patriotic groups, American Legion and VFW Posts, DAR Chapters, etc. We are sending this Year-End Report to 10,000 of these carefully picked patriots, but we do not have the finances to cover the other 15,000. If you approve of our objective, please finance a few letters for us. One Dollar will finance 8 letters — ten dollars will finance 80 letters — One Hundred dollars will finance 800 . . . *also, you may have a group of friends and neighbors whom you’d like to “alert” but can’t spare the time to do it — or prefer to remain anonymous* — send us the list and the financing and we will be *very* glad to do it for you.

Yours for God and Country,

*Myron C. Fagan*

### SPECIAL NOTICE

Our January “News-Bulletin” will be devoted entirely to a review of present conditions in Hollywood and Television. The Reds have suddenly acquired new and amazing “protectors”. The revelations in this forth-coming “News-Bulletin” will startle and shock you. But this is to advise that the necessary research work to flush out these new Red “protectors” will delay this issue a week or two.

Also, we had hoped to issue a new and up-to-date edition of our “Documentations of the Reds and Fellow-Travelers in Hollywood, Radio and TV” in February. The same need of additional research work will delay the book until late in March . . . Sorry, but our reportings must be so accurate that nobody can cast any doubt on them. I am sure you understand the delay.

Incidentally, the “News-Bulletin” will reveal the full Chet Huntley story in all its details.

Sincerely,

*Myron C. Fagan*

Additional copies of this “Year-End Report”  
(and supplement)  
can be had for 15c a single copy —  
or 8c per copy in quantities.

Mr. [REDACTED]

Dear Mr. [REDACTED]:

Your letter of April 1, 1961, with enclosure, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of assistance to you, the files of the FBI are confidential pursuant to regulations of the Department of Justice and are available for official use only. The pamphlet you forwarded has been brought to our attention on a number of occasions. It indicates that statements found therein are documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Incorporated, nor its national director, Myron C. Fagan, has ever had access to information contained in the files of this Bureau.

Enclosed is some material on the subject of communism which may be of interest, and I am also returning your enclosure.

Dear Mr. Hoover:

Recently we have had a taped recording in our Texas history class which has caused us to be quite concerned over the Communist threat. The recording was of a speech made in Dallas by the author of The Naked Communist.

Enclosed you will find a tract. We would appreciate it if you could give us some information concerning it. The things we would like to know about the tract are:

- (1) Are the persons listed known card carrying Communists or fellow travelers?
- (2) Is the publisher of the tract, Cinema Educational Guild, Inc., a Communist organization?
- (3) If it is a Communist organization, what is its purpose in printing and distributing the tract?
- (4) If this is a Communist organization's tract, how can we prevent it from being circulated?

Another question not concerning the tract is, "What can we do to prevent the Communists from 'taking over' as they threaten to do?"

Thank you for your concern. We will look forward to your reply.

Cordially yours,

Dear Mr. Hoover:

Please find enclosed a list of actors, actresses, writers, and producers which list has been put out by the Cinema Educational Guild, Inc., Hollywood, California.

The enclosed brochure indicates that these are the rabid reds in Hollywood and the intent of my letter is to verify whether these people are officially registered Communists. If so, are they active and are they contributing to the Communist Party activities? Such a list appears to be considerably important and whether the list might be considered scandalous, libelous, or truthful seems to be important to myself and to anyone else who is interested in and concerned with such nationally prominent personalities.

I would appreciate a confirmation of the activities of these people in connection with the Communist Party. Also, would you please inform me as to the character of the Cinema Educational Guild, Inc., which produced the list.

Thank you.

Dear Mr. [REDACTED]:

Your letter of April 7, 1961, with enclosure, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of assistance to you, the files of the FBI are confidential pursuant to regulations of the Department of Justice and are available for official use only. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or do not have data relating to the subject of your inquiry.

The pamphlet you forwarded has been brought to our attention on a number of occasions. It indicates that statements found therein are documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Incorporated, nor its national director, Myron C. Fagan, has ever had access to information contained in the files of this Bureau.

Enclosed is some material on the subject of communism which may be of interest, and I am also returning your enclosure.

Dear Sir:

The enclosed tract entitled "Red Star #3" published by the Cinema Educational Guild, Inc., P. O. Box 46205, Hollywood 46, California, was given to me for my information. It is shocking because it lists many of our well-known and respected actors, actresses, writers and directors as being "Reds and Fellow-Travelers."

I have never heard of the Cinema Educational Guild, Inc., and therefore, would take no action until I could verify that this company is "on the level." Please inform me as to whether this organization is legitimate and whether the charges made against these people are true or not.

My dear Congressman:

Your communication, with enclosures, regarding the inquiry of March 21 from Mr. [redacted] of [redacted] was referred to my attention by the Department of the Interior on April 10.

While the pamphlet mentioned by Mr. [redacted] relating to communist conspiracy in Hollywood, California, was not included with his correspondence, I believe he has reference to material prepared by the Cinema Educational Guild, Inc., which has been brought to the attention of the FBI. One of the items distributed by this organization contains a statement that data contained therein can be documented in the files of certain Government investigative agencies. I would like to assure you that the Cinema Educational Guild, Inc., and its national director, Myron C. Fagan, have never had access to the files of the FBI.

While I have no copies of the publication, "100 Things You Should Know About Communism," perhaps the House Committee on Un-American Activities could be of some assistance to you in this regard.

In view of your constituent's interest, I am enclosing several items setting forth my views on communism which he may like to have. Your enclosures are being returned.

Sincerely yours,

The names listed represent some of the best

If you have determined that the facts as stated

Dear Sir:

*Cinema Educational Guild, Inc*

Enclosed is pamphlet which has come to my husband and me.

As we are in the movie business as exhibitors, I am very interested in the authenticity of the material contained herein, especially the names of the people mentioned. I want to be informed, but not misinformed; and certainly I am eager to fight communism wherever I may encounter it. I believe I am able to discount propaganda when I see it, but much of our media of information is so colored, it is hard to know when we are getting the truth.

I would appreciate knowing whether the material contained in this is accurate, and what our best sources of correct information are.

I have read many articles by you on the subject, and wish, at this time to express our appreciation for the very fine work your department is doing, and for your own dedication.

MYRON C. FAGAN  
NATIONAL DIRECTOR

Dear Fellow-American:

During the past month you have contacted us for our books, or our "News-Bulletins", or our "Tracts". By that token, you have established that you are a loyal American, deeply interested in the welfare of our country.

You may not be aware of the work the "Cinema Educational Guild" is doing to preserve our country and our way of life. Therefore, I am enclosing herewith literature that more or less outlines our background.

For your information, it was CEG that forced the Congressional investigation of the Reds in Hollywood (in 1949-50) that smashed that conspiracy in the film industry - and in TV....Likewise, it was CEG that unmasked - and smashed - the "UNITED WORLD FEDERALISTS" scheme to destroy the United States as a free and sovereign nation.... Also the frightening "UNITED NATIONS" plot to enslave our country through their so-called "treaties". Nobody in America (not even Senators Joe McCarthy and Pat McCarran) was even vaguely aware that the U.N.'s treacherous "GENOCIDE TREATY" was so craftily worded that had it not been exposed, all our freedoms would have been lost forever. It was CEG that first exposed that, and other U.N. plottings - also that the U.N. was, and still is, a sanctuary for Red Spies and American traitors!

Frankly, my friend, I am sending you this letter because we, the American people, are in a life or death fight to save our country. The Reds and all of the Enemy of various shades within our country CAN be uprooted and destroyed. And CEG, with the help of God, won't stop until that job is accomplished!!! But there is much work to be done - it needs the help of all loyal Americans! That means YOU!!! That is why I appeal to you to join with us - to become an active member of CEG - and add your strength to ours in a fight that means the salvation of our country - and the future of your children!!!

Now, I won't ask you to just take my word for all that; therefore I am enclosing our "Year-End Report". All I want you to do is read it - and digest every word in it. This "Report" will tell you how we have devoted the past year and a half to achieve two objectives: 1) Congressional action to unmask and impeach Earl Warren and his co-wreckers of our Constitution; 2) Congressional investigation of the "United Nations". This "Report" will tell you how our State Department collaborated to prevent those investigations - how, despite that, we very nearly succeeded - how the lack of just one vote in the Senate prevented it - it will tell you how just a little more pressure by a few more loyal Americans, like YOU, would have given us a victory that would have triggered a chain of investigations that would have smashed the entire Great Conspiracy to destroy our country.

All I ask you to do is READ it - then decide if you want to help us save our country - your country - and your children's country! Read it - and then please write direct to me, if we can count on your help. It isn't just your \$12 of membership dues we want - we want your HEART with us - to help us save the land we both love so dearly. Please do it by return mail. Don't wait for tomorrow to join us - tomorrow spells "Manana" - and "Manana" is what enabled the ENEMY to entrench themselves so deeply.

Dear Fellow-American:

Once upon a time an American could proudly proclaim his Americanism without fear of unhappy consequences. But in 1933 we entered upon an era in which the Minority Group came into ascendancy. The Foreign Born became the favored individual. American principles were declared obsolete in favor of Foreign Ideologies. Anybody who dared to declare for America First was declared Isolationist and Outcast by no lesser arbiters than Franklin and Eleanor Roosevelt—as witness the case of Charles Lindbergh. Any American Employer who gave job preference to Americans was branded a Fascist. By 1945 Nationalism in America was transformed into Internationalism—and the United States Treasury into a free Pork Barrel for the entire world. All this was accomplished by the few outshouting the many. The Minority Groups established themselves as the "Voice of the People", while the vast Majority of Americans remained asleep to the looting and the betrayal of our country.

Today it is common knowledge that until 1948 Hollywood (the Film Industry) was the backbone of the Communist Conspiracy in America. It financed the Conspiracy . . . it produced scores of films such as "Mission to Moscow", to brainwash the American people and glorify Moscow all over the world. But until 1948 not a whisper of all that treason was allowed to reach the American people—because the Press, Radio, ALL mediums of mass Communications were tight in the grip of the Enemy! That was when a group of Los Angeles Clubwomen organized the "CINEMA EDUCATIONAL GUILD" for one chief objective: to smash the Red Conspiracy by exposing all the traitors—make them known to all

of the American people and thus make their names DEATH to the Box Office . . . empty theatres would quickly kill off pro-Red films and drive the Reds out of the industry. Of course, we knew we'd get no help from the Press or Radio. The only method left to us was books, pamphlets, tracts. But even that method was faced with what seemed to be insuperable obstacles—printers were intimidated . . . booksellers were forced to boycott our literature . . . the Press and Radio "smeared" us. Nevertheless, despite all opposition, our method was highly successful — it was made successful by the members of CEG — every one of them became a book-seller; they bought each publication in tens, twenties, hundreds; they re-sold, or sent them as gifts, to friends in all parts of the country. In turn, many of those friends joined CEG and thus multiplied the circulation of our literature.

One of our first books was "DOCUMENTATION of the RED STARS" in which we NAMED all the top Stars, Directors, Writers and Producers who were master-minding the Conspiracy in Hollywood — we DOCUMENTED their Red activities and exposed their secret organizations (RED FRONTS) and methods of operation. That book rocked the nation! An avalanche of angry letters poured into Washington — and that forced that famous TELEVISED Congressional investigation. Box-office receipts plunged down — down — down . . . panic swept through the entire industry . . . Charlie Chaplin was booted out of the country . . . Eddie Cantor, Eddie Robinson, Milestone and scores of other Reds were driven off the Screen . . . that was how the backbone of the Red Conspiracy in Hollywood was smashed!

In 1948 the "Enemy" stealthily launched its infamous "United World Federalist" (UWF) treason plot to transform the United States into a Unit of a One-World Government — using the word PEACE as the bait. By July 1949 they had seduced 26 State Legislatures to pass Resolutions favoring the plot. In our August 1949 "News-Bulletin" we unmasked that plot and named the 42 Reds who had organized the UWF. As a result, in April 1950, the California Legislature rescinded its Resolution — 23 other States quickly

followed that example — and that treason plot was smashed . . . by the members of CEG!

Early in 1950 we learned that the "United Nations" was secretly trying to get our Senate Foreign Relations Committee to sign their vicious "GENOCIDE" treaty. In our November 1950 "News-Bulletin", on the very eve of the signing of that "treaty", we completely unmasked that fiendish plot — a torrent of angry letters and telegrams poured into Washington . . . the "Genocide Treaty" was NOT signed!

I could mention other similar "jobs" accomplished by CEG, but this document has a far more important message for YOU and for every true American: The Hollywood Conspiracy, the UWF treason plot, the GENOCIDE scheme have been smashed — yes, but they won't stay smashed unless YOU and I and every true American continue to keep them smashed. Here is what I mean: This ENEMY WITHIN never quits! When exposed and smashed they merely get under cover until "the heat is off". Today, after laying low for several years, the Reds are sneaking back into Hollywood and reorganizing to use the Screen again . . . the UWF, smashed in 1950, is again brazenly out in the open propagandizing for a One-World Government . . . the UN is again pushing "GENOCIDE" and its various fiendish schemes . . . and now Earl Warren and his collaborating Justices are issuing "Decisions" that will destroy all our defenses and enable the Great Conspiracy to achieve their entire plot — unless we stop them. I'll!

Only one thing will defeat those treason plots: an alerted American people — we have only one way to do the alerting job: books, pamphlets, Tracts . . . but with Press, Radio, TV, and all circulation channels closed to us, we have only one way to distribute AMERICAN literature, through true Americans like YOU!

The basic Fellowship fee to join C.E.G. is \$12.00 per year. But if you approve of our work and our objectives, and care to voluntarily increase that basic fee, it will be

extremely helpful, as every extra dollar enables us to do that much more. Anyway, that basic fee automatically entitles you to a free copy of each issue of our "News-Bulletin"; also as many additional copies of the "News-Bulletins" as you may require at half the list price (25 cents per copy).

Fellow-American: we have a tremendously vital job to do. I urge you to join CEG and help us to get the entire true story to all true Americans in ALL of our 50 states. Please do it NOW — you may forget if you wait until tomorrow. Joining us means you will add your strength and co-operation to a fight for God and our Country.

Sincerely yours,

Myron C. Fagan

"RED RAINBOW" is the play that exposed all the treason in Washington . . . and inspired the late Senator McCarthy's investigations of Communist infiltrations in the State Department, Armed Forces, Defense Plants and various Government departments — including the White House . . . "THIEVES' PARADISE" is the play which exposes and in detail the "United Nations" plot to enslave the United States in a One-World Government — this is the play that inspired the investigations of the UN by the Senator McCarran and Representative Usher L. Burdick.

The above plays in print, each priced at \$1.00 per copy, together with the following "News-Bulletins", published by CEG, tell the entire story of the treason and the plots to destroy our Country from WITHIN!

Special **EMERGENCY** Bulletin

PLEASE READ IT SLOWLY — DIGEST IT . . . YOUR FREEDOM, YOUR VERY LIFE, MAY DEPEND UPON HOW YOU READ IT — AND UPON WHAT YOU DO AFTER YOU HAVE READ IT.

In order to leave nothing, *absolutely nothing*, to imagination about the urgency of the above warning, we have enclosed our latest "Tract", entitled:

## THE UNITED NATIONS' "GENOCIDE" PLOT!

Read it carefully — ANALYZE it — for in this "Tract" you will find all the PROOF you need to clearly show you that if ever the U. S. Senate will sign the so-called "Genocide Treaty", *this making it a "Law of the Land"*, it will mean imprisonment, or even death, for every White Christian American who will dare to so much as protest against the transformation of the United States into an enslaved unit of the planned UN ONE-WORLD GOVERNMENT . . . PROOF that cannot be denied (or explained away) by the UN — by our State Department — by the White House . . . PROOF that any individual in high office, whether it be the President, the Vice President, the Attorney General, or any Senator, who would advocate the signing of the "Genocide Treaty", or the repeal of the Connally Amendment, in whole or in part, is as guilty of stark treason as Benedict Arnold, as Quisling, as Pierre Laval — as Julius and Ethel Rosenberg!

## UN IS DEATH-TRAP FOR U. S.

In our fight for the salvation of our Country there are two vital facts which we must never, never, NEVER forget!

No. 1) That there is an Internationalist-Communist Conspiracy (quite apart and distinct from the generally known Moscow Communist Conspiracy) to destroy the sovereignty of our nation — and to transform the United States into a unit of their One World Government . . . and, *even more important*, we must always bear in mind that the seat of this Internationalist-Communist Conspiracy is not in Moscow, but within our own United States — that the Master-plotters of this Conspiracy are not the hoodlums in the Kremlin, but the Internationalist (gangsters) Bankers in New York and their puppets in Washington;  
No. 2) That the "UNITED NATIONS" is the crux (the heart) of that Conspiracy — the trap in which our nation is to be stripped of sovereignty and of all our Freedoms — the trap in which the United States is to be absorbed and enslaved by a so-called UN One-World Government, *exactly as Latvia and Esthonia; and HUNGARY have been absorbed and enslaved by Moscow.*

Unfortunately, and tragically, to a great majority of the American people the above statements are fantastic and utterly unbelievable. During the past half-century, but especially since 1945, our people have been steadily brainwashed by a completely controlled Press, Radio, TV, Hollywood (all mass communications media) into the belief that our only mortal Enemy is Communist Moscow. Now, it would be folly and sheer stupidity to pretend that Communism, per se, is not our greatest menace. But, it is even more important to clearly understand the *true* menace of it — to fully realize that the real menace of it is not without, but WITHIN the United States — that it was created and

fostered by the Masterminds of the above mentioned Internationalist-Communist Conspiracy to serve as a camouflage for, and distraction from, their infinitely more sinister and far more dangerous Conspiracy *within* our Land. To nail down that charge, let me remind that it was Jacob H. Schiff (Kuhn-Loeb & Co.), the American Hierarch of the Great Conspiracy, who masterminded the Lenin-Trotsky takeover of Russia — that it was Schiff who financed the training of Trotsky's several hundred New York gangsters for that takeover — that it was Schiff who provided the ship, plus 20 millions in gold, for the juncture with Lenin and his gang — that it was a Warburg, Schiff's Lieutenant in Germany, who provided the sealed freight cars to sneak the Lenin-Trotsky Bolshevik "army" into Russia — that it was Schiff who (in 1918) sent Col. House to Moscow with orders to Lenin to change the name of his regime from Bolshevik to Communist, and to adopt the Marx Manifesto as his "Constitution". To further nail it down, bear in mind that it was Franklin D. Roosevelt, the Great Conspiracy's tool in the White House, who saved the Stalin regime in 1933 with his illegal "Recognition" — that it was Roosevelt who opened the doors of the White House, the State and Treasury Departments, the Pentagon, to an influx of Communists — that it was Roosevelt who, at YALTA, arranged the deal to deliver Poland, the Balkans and all of Eastern Europe to Stalin — that it was "Military Genius" (Faughl) Eisenhower, Baruch's picked tool, who carried out that deal by his manipulations of our armies . . . and bear in mind that it was Roosevelt and Alger Hiss, and Harry Dexter White who concocted the "UNITED NATIONS" and planted it within the United States to become the "Housing" for the Great Conspiracy's One-World Government!

And, remember this: It was Herbert Lehman, Internationalist Banker, who clinched Moscow's enslavement of the Balkans — *with the help of the UN!* How? With the approval of our State Department, the UN appointed Mister Lehman to be the chief of UNRRA. He promptly appointed Moscow-approved Communists throughout the Balkans to serve as UNRRA distributors of all the food, clothing, medicines, etc., provided by the United States, for the relief of the starving and sick Balkan peoples . . . all those shipments were marked "Made in USA" — but on orders from Lehman all those markings were changed to "Made in USSR". Lehman was caught red-handed in that act — his alibi was that he did that in order to make the Balkan peoples believe that Moscow was their great friend and benefactor — and thus cement friendship and PEACE between the Russian and Balkan peoples.

Do we need any more proof that Communism was created to be the horrendous "right" arm of the Internationalists' Great Conspiracy? . . . or that the UN is an integral part of that Conspiracy?

Believe me, the ENEMY WITHIN, the Internationalists' Conspiracy, with its traitorous tools in Washington, is by far a greater menace to the sovereignty of the United States and the Freedom of the American people than all the Enemies without!

But there is one sure-fire solution for that entire prob-

the Great Conspiracy our nation and every individual one of us will always be in danger of losing our sovereignty and our freedoms . . . they just do not see that the UN is the heart of that Conspiracy — and that until it is completely unmasked by a Congressional hearing, that Monstrosity will continue to plot and scheme and connive until it achieves, with the help of the traitors WITHIN our Land, its objective of transforming the U. S. into an enslaved unit of its One-World Government.

That is why we MUST have an open-to-the-public Congressional investigation of the UN! . . . We must find out why the UN, a group of foreign and Communist agents of foreign and Communist nations, are so determined to get this (GENOCIDE) life and death powder over all of the American people . . . We must find out why the UN is so determined to get COMPULSORY jurisdiction over our country for its World Court, composed of foreign and Communist Judges . . .

We must find out why those men in Washington, to whom we entrusted the destiny of our nation, have been, AND STILL ARE, desperately trying to give all those horrifying powers to the UN — why our State Department sponsors and finances UNESCO, UNICEF and other UN schemes and anti-American objectives.

Note: Limited space prevents a complete outline of the UN's various schemes, but our next "News-Bulletin" (No. 77), will be: "DOCUMENTATIONS of UN PLOTS FOR TAKE-OVER OF U. S." The title speaks for itself. I urge all readers to place orders NOW — it will scare the daylight out of you; but it will wipe all doubts and hesitations out of your mind. Price is 50c per copy.

### "IMPEACHMENTS" A VITAL NEED.

The chief objective of this "Special Bulletin" is to get the full frightening story of the UN plot to the American people. Therefore, I shall avoid bringing into it any other subjects that might distract from it. However, with a Kennedy or a Nixon in the White House our need to set up an "Impeachment" precedent is fully as urgent as the fight to prevent repeal of the Connally Amendment — both Kennedy and Nixon are determined upon the repeal!

To fully understand how vital it is, I earnestly urge the reader to get a copy of our May-June, 1960, "News-Bulletin" (No. 76), entitled: "ONLY IMPEACHMENTS WILL SAVE OUR COUNTRY" (50c per copy). Anyone who will read it will never stop pressing Congress until we achieve it.

Our three most important objectives, in the order of their most immediate urgencies, are: — 1) Prevent repeal of the Connally Amendment, in whole, or piecemeal; . . . 2) A Congressional investigation of the "United Nations"; . . . 3) Impeachments of the men who launched the plot to repeal the Connally Amendment — and of Earl Warren and the U. S. Supreme Court Justices who have rendered "Decisions" to protect Communists and to aid and abet the Great Conspiracy.

1) Our "World Court" Tract stopped the plot to repeal the Connally Amendment — but already they are trying to accomplish it piecemeal — we must pour signed copies of that "Tract" to all members of Congress as a warning that the people are watching them;

2) We must force a Congressional "hearing" of the UN; our "UN Tract No. 1" reveals the entire plot and the UN Korean War betrayals . . . the "UN Tract No. 2" confirms the plot and contains Trygve Lie's confirmation of the secret agreement between Hiss and Molotov . . . we must use the two "Tracts" as a unit — and keep pouring signed copies to every member of Congress until the "hearing" is ordered;

3) Our "SCJ No. 1" Tract calls for the impeachment of Earl Warren and his Associate Justices — it contains the proof of their treason. That impeachment alone can blow the whole Conspiracy wide open! We came very near achieving it with the Jenner Bill, which was defeated by one vote — because the people stopped demanding it! This time we must keep pouring in our demands (signed Tracts) until we achieve it.

But our "GENOCIDE PLOT" Tract is our A Bomb! They can deny Tract No. 1 — they can cast doubts on Tract No. 2 — they can even try to alibi the "World Court" Tract — but they cannot squirm out of the "GENOCIDE PLOT" Tract. We must make every White American — man, woman and teenager — read that "Tract". It will scare the living daylight out of them, but it will make them realize that this is their fight, not only for the salvation of our nation, but for their own lives and freedoms.

If just a few million Americans will join in this fight Congress will obey our demands. But we must use all the weapons we have. Please, for the love of God and Country, — urge all your relatives, friends and neighbors to sign all the "Tracts" and send them to their Senators and Representatives with an "or else" ultimatum . . . and tell them to urge all their relatives, friends and neighbors to do likewise — it means our salvation!

One more point: we must launch this new Crusade on the theory that all our past "Tract" campaigns are down the drain — they're not actually — all of them are well planted — they are a collective foundation for this Crusade — they will serve as a reminder . . . but politicians (Senators and Congressmen) have to be reminded — and reminded . . . the greater the volume of demands for action we pour in to them, the sooner will they realize that their constituents mean BUSINESS!

(Note: Until November all Congressmen will be politicking at home. This is when they will be most vulnerable. Send your letters and "Tracts" to their homes — you can get the home addresses from your Post-office; or local Federal office; or from local Party headquarters. MCF.)

### ANOTHER WAY YOU CAN HELP.

As I said, we must launch this Crusade as if from scratch. That means we must once again contact all patriots throughout the nation who co-worked with us in the past — approximately 25,000 individuals. We are sending this "Special Bulletin" and Tract to 10,000 of these carefully picked patriots, but we do not have the finances to cover the other 15,000. Please finance a few letters for us. One dollar will finance 8 letters — \$10.00 will finance 80 letters — \$100.00 will finance 800 . . . also, you may have a group of friends and neighbors whom you'd like to "alert" but can't spare the time — or prefer to remain anonymous — send us the list and the financing and we will be very glad to do it for you.

Please RUSH your orders for the various "Tracts": UN No. 1 . . . UN No. 2 . . . SCJ No. 1 — to force impeachment of Warren . . . the "World Court" Tract to prevent repeal of the Connally Amendment . . . and, of Course, the "GENOCIDE PLOT" Tract. (Also, to get the full stories, "News-Bulletins" Nos. 76 and 77). Please order NOW — TODAY — tomorrow you may forget. All our "Tracts" are \$2.00 for 100 copies . . . Our Country is at stake — "praise the Lord and pass the ammunition!"

Yours for God and Country,

*Myron C. Tapan*

P.S. Additional copies of this "Special Bulletin" (including "GENOCIDE" Tract) can be had for 10c (1 to 10) per copy — or 8c per copy in greater quantities.

lem—get the U. S. out of the UN and hurl the UN out of the U. S. ! ! ! That positively will smash the entire Internationalist-Communist Conspiracy. Their entire Conspiracy rests on a One-World Government. Without the UN to "house" it, there can be no One-World Government — and the Conspiracy will have no place to go. So let's face the grim fact — *we have no choice: it's get rid of the UN — or surrender the U. S. . . . only one can survive!*

To many who will read this, the job of getting rid of the UN may seem to be an impossible one, but, I assure you, *it CAN be done!* And to give full substance to my assurance I will cite a precedent:

#### THE UWF PLOT

In 1947 a group of notorious Reds and Fellow-Travelers, on direct orders of the "Masterminds", organized what they called the "United World Federalists". Their objective was, of course, to transform the U. S. into a unit of a "One-World Government". And they had worked out a new technique, simple but amazingly crafty, to achieve that objective; to-wit: they would delude, seduce and/or bribe various State Legislatures into passing a carefully prepared "Resolution", requiring Congress to make that transformation. All they needed for the achievement of their objective was to have thirty-six States pass that "Resolution".

Now, of course, they knew they'd have to "railroad" that "Resolution" through all those Legislatures before the people could become aware of the heinous treason in it. *It had to be done very hush-hush!* Their first step was to get one State to pass the "Resolution" — and thus become a "pilot" (piec-piper) for all the other States. California was picked to be the "pilot" State. It took them two years, plus "tons of money" (as expressed by Senator Jack B. Tenney) to "sell" their "Resolution" to the California Legislature, but they did a near-perfect job. In March 1949 the California Legislature approved and passed the "Resolution" unanimously — except for two Senators: Jack B. Tenney and Hugh Donnelly. And not one newspaper published a word about it — not one Radio "News" Commentator mentioned it . . . that's how hush-hush it was done! Senators Tenney and Donnelly demanded a review of the whole smelly "deal" by the Judiciary Committee. The "loaded" Committee rejected the demand. And the UWF promptly put on a blitz campaign in all the other States. By mid-June they had "railroaded" 25 additional State Legislatures into passing the "Resolution" . . . all they needed was ten more States! That was when Tenney came to us (CEG) for help. We promptly issued a "Special Bulletin" in which we unmasked the plot — and rushed copies of it to every member of every Legislature of every State. That stopped the UWF dead in their tracks — they never got another State!

However, we knew that merely stopping their progress would be only a temporary victory — we knew that as long as that "Resolution" would remain in full force and effect in those 26 states the UWF would simply wait until the expose would be "forgotten" and then pick up where they had left off. Only rescission of that "Resolution" by all the States that had passed it would completely unmask the UWF and smash their plot.

That was easier said than done. We could not possibly fight the UWF in all of the 26 States. We were at that time a young organization, ill-equipped financially for a nationwide fight. Also, outside of California, our membership was too thin for it. Therefore, we had to concentrate our efforts where it could best become a symbol and an example for all the other States . . . the UWF had made California their "pilot" State — we decided to make California our test State.

Thus, our first step was to bring the UWF to "trial" (a public hearing) before a joint session of the California Legislature. But that, too, was easier said than done! We knew that, except for Tenney and Donnelly, we would get

no help from any of the Assemblymen and Senators — indeed, many of them were so deeply and guiltily involved with the UWFers that they were bound to oppose us . . . Likewise, we knew that the controlled Press and Radio would go all-out to oppose us. There was only one thing that could overcome all opposition — and that was "the voice of the people." That is the one thing all politicians respect and fear. The dread of every politician is a finally alerted and angry constituency. And, believe it or not, your newspaper publisher and Radio Station owner stands in exactly the same dread of a finally alerted and angry people. So it was up to us (CEG) to awaken and alert the loyal Americans in California. We had only one way to do it — by stating all the facts about the UWF traitorous "Resolution" in pamphlets, Tracts, and in personal addresses before all civic groups.

And that was exactly the campaign we launched. As a matter of fact, that was the first time that we issued a "Tract" which the individual voter could sign and mail to his Senator and Assemblyman (or Senator and Representative) demanding action with an "or-else" ultimatum.

Limited space prevents my going into the details of that "campaign". Naturally, the UWF launched a frenzied counter-offensive. The once-respected "Christian Science Monitor" spearheaded a personal attack on "Myron C. Fagan, anti-semitic leader of a lunatic fringe that would stand in the way of PEACE" . . . Chet Huntley, the UWF's Radio "voice", launched an even more vitriolic attack in his daily broadcasts. But, if anything, their violent "smears" helped us. Throughout the months that followed, an ever-mounting avalanche of angry letters, signed "Tracts" and pamphlets kept pouring into the offices of the State Senators and Assemblymen. Finally, in March 1950, the California Legislature capitulated — and ordered a public hearing of the UWF "Resolution" — and at that hearing we established (via forced admissions by the UWFers) the following: 1) The UWF was created and organized by 42 notorious Reds and Fellow-Travelers . . . 2) Their unlimited finances were provided principally by the Internationalist-Communist Conspirators, such as the Warburgs, the Lehmans, the Rockefeller interests, etc. . . . that the UWF's one and only objective was to transform the U. S. into a unit of a "Federalized One-World Government", to which the U. S. would be required to "transfer all Armed Forces, including the Atom Bomb" — and to abolish the Stars and Stripes as our national Emblem, and/or to make it subservient to their One-World (flag) Rag!

That was the end of the UWF and their One-World plot — it unmasked them as a gang of vicious and despicable traitors. Everyone of them should have been tried and hanged as a traitor — but treason seems to be a minor offense in this unhappy day and age! Anyway, on April 7, 1950, the California Legislature rescinded that UWF "Resolution" — and within the following 60 days 23 other States followed suit.

#### OUR PATTERN FOR SALVATION

The smashing of that UWF plot was a great victory. But it was more than that — it gave us the pattern for the salvation of the nation! It showed us . . . No. 1) That if we can get the true story to the people — and convince them — they will do the rest . . . No. 2) It revealed that our greatest obstacle, fully as dangerous as the Conspiracy-control of the Press, Radio and TV, is the disloyalty, the treachery, the downright TREASON of the men into whose hands we entrust the destiny of our nation — the men we place in their high offices . . . the following will show how:

As I have already established, the "United Nations" is the heart of the Internationalists-Communist Conspiracy — get the U. S. out of the UN trap and it will torpedo the entire Conspiracy. Shortly after we produced "Thieves' Paradise" in Washington, D. C., to show the truth about the

UN to the members of Congress, we issued our "UN Tract No. 1", in which we provided documentary evidence that the UN had deliberately betrayed us in the Korean War — that the UN was directly responsible for the murder of all our boys in that war — that a UN official (Moscow's General Vasiliev), on leave of absence from the UN, was the secret Commander-in-Chief of the No. Koreans and Chinese Reds — and we particularly stressed the secret agreement between traitor Alger Hiss and Molotov whereby a Moscow Red was ALWAYS to be Chief of the UN Military Secretariat !!!

That "Tract" created a sensation — copies came pouring into Congress by the many thousands, demanding that the UN be investigated — and here is how the State Department and the Pentagon protected the UN:

Both issued official statements refuting our charges, insisting the UN had no Military Secretariat — and jeeringly challenged us to prove the existence of the oral "secret agreement" between Hiss and Molotov. That automatically created a doubt about our charges — and took the "heat" off the UN. But, lo and behold, shortly after Trygve Lie "resigned" as Secretary-General of the UN, he wrote a book, in which he fully confirmed that "secret agreement" — and revealed how he was forced to abide by it.

(Note: Title of Lie's book is "IN THE CAUSE OF PEACE". It can be found in all public libraries.

The statements referred to are on pages 45 and 46. MCF.)

Thereupon we issued our "UN Tract No. 2", in which we quoted that confirmation — *verbatim*. Once again, thousands of both "Tracts" came pouring into Washington — various members of Congress began a movement to bring in the UN for a thorough "hearing" . . . and once again the State Department rushed to the rescue of the UN! They did not deny the Trygve Lie statement, but, by *innuendo*, they indicated that we (CEG) had deliberately misinterpreted Lie's statement. This, despite the *prima facie* evidence in the book.

As a result, all talk of a Congressional hearing of the UN was dropped. Thus, once again, the men to whom we entrust the destiny of our nation prevented an investigation that would have revealed the UN to be a death trap for the U. S.!

Well, then came the plot to repeal the Connally Amendment — which would have hurled the U. S. under the compulsory jurisdiction of the UN's World Court — a "Court" composed of one American and fourteen foreign and COMMUNIST judges. We promptly revealed the plot in our "News-Bulletin" — and simultaneously issued our "World Court Plot" Tract. And this time *nobody*, not Eisenhower, not Nixon, not Rogers, not the State Department, could refute the charge . . . instead, they came out with a feeble and nauseous alibi that all those foreign and COMMUNIST judges are honorable men, who would not use their unlimited powers to take advantage of the U. S.!

They even indignantly accused us of "smearing" and attacking the integrity of those "honorable" foreign and COMMUNIST judges — God help us!

But, this time the people were not fooled. Angry letters, telegrams and signed "Tracts" in the many thousands poured into Washington. That volume terrified the Senators. Despite all the frantic pressures by Eisenhower and Lyndon Johnson, they warned Senator Fulbright that they would have to vote against the Repeal Bill . . . Fulbright did not submit the Bill to a vote!

And therein we have the proof that the salvation of our nation lies in the hands of the people — it proves that no man in Washington, from the President down, dares to defy an angry and aroused people — it proves that if ever we lose our country it will be our own fault! We won this fight to prevent the repeal of the Connally Amendment. Many people see it as a great victory. Well, it's not — it's a very

small victory. It could have been a great victory — a total victory — if we had gone through with what we had set out to do, as outlined in the "World Court" Tract.

To make that point clear, I will again stress two vital factors in our War with the International Communist Conspiracy — factors I have stressed, many, many times.

No. 1:— We, the American people always generously forgive our foes after we have achieved victory over them. Once aroused, we fight like tigers until we achieve victory — and then we forgive and "forget" — on the theory that the "war" is over.

No. 2:— But, this "Enemy" never quits! They wait until the people "forget" — then they pick up where they were forced to leave off. With this Enemy our proneness to forgive and "forget" can prove fatal for us — because with this Enemy we are in a total war which we cannot settle with a small victory — it is a war that means survival or death for our nation. With this Enemy we must stay awake and never cease fighting until we achieve complete victory — and complete victory will come only when and if we completely unmask the Masterminds and the tools of the Great Conspiracy. That is why we cannot accept any small victories in settlement of this war — why we must not let small victories induce us to "forget" and go back into slumberland . . . our present small "World Court" victory proves that point:

In our (CEG) "World Court" Tract (and in earlier News-Bulletins) we revealed the World Court plot in all its grisly details; we stressed that repeal of the Connally Amendment would be a giant step in the One-World (UN) Government Conspiracy; we named the men (Eisenhower, Nixon, Rogers, Herter, Humphrey, et al) who launched the repeal plot as direct and witting tools of the Masterminds of the Great Conspiracy. And we urged the people to "come awake" and demand that Congress (A) Smash the "repeal" plot; (B) hale the UN in for an open-to-the public Congressional hearing; (C) investigate the men (via impeachment proceedings) who launched the "repeal" plot.

Well, the people "came awake" — and the frightened Senators killed (temporarily) the plot to repeal the Connally Amendment. That so elated the people that they accepted that small (and temporary) victory as a settlement of the whole issue. They stopped pressing for a Congressional investigation of the UN — and of the men who launched the "repeal" plot. They are satisfied with their small "World Court" victory . . . and already they are beginning to "forget" — that tremendous volume of angry letters and signed "Tracts" that so terrified the Senators is diminishing into a trickle . . . and already the "Masterminds" are busily preparing new "Bills" which their tools will submit to Congress — Bills that can slip the "World Court" over on us piecemeal !!!

Now, unquestionably, Congressional investigations of the UN and of the tools of the "Masterminds" would have unmasked — and smashed — the entire Conspiracy. That avalanche of angry letters and "Tracts" had so impressed all members of Congress that just a little more pressure would have forced both investigation proceedings. Why did the people accept the small victory — and stop pressing for the ultimate victory? The answer is more or less obvious.

No. 1) The rage of the people was concentrated on the "World Court" plot — because they saw its great menace to the sovereignty and freedom of the United States; they did not sense that the "World Court" would be an equally dire menace to their own individual lives and freedoms — those who did sense it, assumed that the smashing of the plot would serve for them as well as for the nation. And having achieved that (small) victory they see no need for "punishment" of those who instigated the plot and/or of those who tried to carry it out . . . they just do not see, or understand, that until we unmask and destroy the ex-

Enemy in time of war is TREASON. Communism is a known mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at total war with that Enemy. Those three "Decisions" unquestionably give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a Julius Rosenberg. For him, there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the Rosenbergs!

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to fulfill their oaths — to summon forthwith for

proper trial all those Justices who collaborated in those three treason-packed "Decisions".

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

could be held in London, in Paris, in Prague, or in Moscow, wherever the UN preferred. The "Judge" would be a so-called UN Tribunal. And, under the "Genocide Treaty" provisions, you could not choose an American lawyer to defend you — the UN would appoint your defense lawyer . . . nor, under that provision, could our Constitution and/or Bill of Rights protect you. That UN Tribunal could sentence you to be hanged, or shot, or imprisoned for life in a Siberian Slave Labor Camp — and the U. S. Government could do nothing to prevent it!

Thus it is clearly obvious that the real objective of the "Genocide Treaty" is to give the UN a stranglehold on every White Christian American — so as to prevent all opposition to the plot to transform the United States into a unit of a UN One-World Government. Once our Senate would ratify the "Genocide Treaty", or its twin, the "Covenant of Human Relations", the UN would find a hundred ways to twist your opposition to "One-World Government" into an "act of Genocide" — it surely would be easy for them to induce a member of a "Minority Group" into preferring charges that you have inflicted "mental anguish" on him — and how would you be able to disprove the charge when you'd be facing a UN Tribunal in Moscow or at the Hague?

Under those conditions would YOU dare to oppose the transformation of the United States into an enslaved unit of the UN One World Government?

But you can do it now — before it is too late — by sending signed copies of this document, to act as an urgent "Petition", to your Senators and Representatives:

To ALL Members of Congress, Senators and Representatives:

In this document, as also in various similar documents (Tracts), you have prima facie evidence

that in 1945 the UN did premeditatedly employ fraud, deceit and misrepresentation to delude and seduce the U. S. Senate into ratifying its Charter. It is obvious that the sole objective of the UN was, AND IS, to transform itself into a super-One World Government that would absorb the United States, destroy our sovereignty, and void and nullify our Constitution and Bill of Rights. Therefore, we, the American people, urgently request that the UN be summoned forthwith to appear before a joint session of Congress to answer all charges against it — and, if it (the UN) is proven guilty, that the Senate move promptly to rescind and revoke the original ratification, and thus GET THE U. S. OUT OF THE UN AND THROW THE UN OUT OF THE U.S.!

Gentlemen of Congress: it is your SWORN obligation to protect and defend our Constitution and the sovereignty of our nation — you got us into the UN, it is up to you to get us out of it.

## THE "GENOCIDE" PLOT TRACT

Flash ... FLASH ... FLASH!!!

★ ★ ★

"U. S. Senate signs Treaty giving the UN complete compulsory jurisdiction over the Lives and Freedoms of the American people!"

How would you like to see that happen?

Would you be willing to be executed — BY ORDER OF THE UN?

Would YOU be willing for the UN to have the power to sentence YOU to life imprisonment in a Slave Labor Camp?

Well, that is what WILL happen to YOU and to me — and to every White American man, woman and child, when and if the U. S. will sign the UN's "GENOCIDE TREATY" per se, or under its camouflaged name, the "INTERNATIONAL COVENANT OF HUMAN RELATIONS"! . . .

And once that Treaty is signed, our Government and our Constitution will be powerless to protect or defend you — because under our Constitution a Treaty becomes the Law of the Land.

Now let's analyze this diabolical plot — and see how we were "suckered" into it.

When Alger Hiss, architect of the UN, arrived in Washington with the UN Charter he called in the

### CO-DEFENDANTS

Also wanted for trial and impeachment, on the same charge, are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge (No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to: (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and

NAACP were created immediately after that — to carry out that DIRECTIVE!

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . It contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — "Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . ."

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND !!!

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and

the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . It was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . It was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy was to succeed the FBI had to be destroyed!

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Under our laws, giving aid and comfort to an

Press and Radio and triumphantly read to them the 7th paragraph of Article 2, which states:

"Nothing contained in the present Charter shall authorize the United Nations to intervene in matters which are essentially within the domestic jurisdiction of any State, or shall require the Members (Nations) to submit such settlement under the present Charter . . ."

What magnanimity !!! These alien agents of Foreign and Communist nations would permit us to administer our domestic affairs without interference . . . What big-hearted generosity !!!

Anyway, that was the BIG LIE that "suckered" the U. S. into becoming a member of the UN. Had it not been for that "assurance" the Charter would never have been ratified. But throughout the weeks before the ratification the controlled Press and Radio repeatedly front-paged the above "assurance" — and glorified the UN as the only sure-fire guarantee of the PEACE of the World . . . and, with just a few exceptions, the Senators virtually trampled all over each other in their stampede to ratify the Charter.

But even as they were ratifying it, Senator Connally discovered the treachery in the "World Court" provision — and emasculated that plot with his "six-little-words" Amendment.

That was a great blow. But the Great Conspiracy never quits. Having failed with their "World Court" scheme, the UN decided to achieve the same objective, and more, with their so-called "humanitarian" GENOCIDE TREATY — the objective being such a completely compulsory jurisdiction over the American people as to make them powerless to prevent the transformation of the U. S. into an enslaved unit (a la Hungary) in their One-World Government.

Thus, on December 11, 1946, the UN General Assembly passed a Resolution (No. 96) calling for what they called a "Genocide Convention" — the full title being: "Convention on the Prevention

and Punishment of the Crime of Genocide" . . . the word "Genocide" (and its meaning) was coined by the UN.

According to the UN's proclamation, the "GENOCIDE" Law they were seeking was based on "humanitarianism" — it was to be Law, so they said, to prevent the mass murder of "minority groups" in the various nations throughout the world. They based the need for such a Law on Hitler's murder of the SIX MILLION Jews in Germany . . . the records show that there were never more than 600,000 Jews in all of Germany — but six million sounds more impressive, so the UN insists upon six million.

Now, first of all, bear in mind that under the "GENOCIDE TREATY", when and if our Senate will ratify it, all authority to administer the "GENOCIDE" LAW would rest with the UN — all arrests would be made by UN "police" — all "trials" would be supervised and controlled by the UN . . . in short, the U. S. would surrender ALL rights and powers in "GENOCIDE" matters to the UN. The following is the UN's definition of "GENOCIDE", taken verbatim from their proposed "Treaty":

"Any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group as such; A) Killing members of the group; B) Causing serious bodily OR MENTAL harm to members of the group; C) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part; D) Imposing measures intended to prevent births within the group . . ." also, 1) Direct and/or indirect public incitement to commit Genocide; 2) Attempt to commit Genocide; 3) Complicity in Genocide."

Article IV of the "Treaty" defines the punishments of those "crimes"; as follows:

"Persons charged with Genocide or any of the

other acts enumerated in Article III (including MENTAL HARM) shall be tried by a competent Tribunal (approved by UN) of the State in the territory in which the act was committed, or (at the discretion of the UN) by SUCH INTERNATIONAL PENAL TRIBUNAL AS MAY HAVE JURISDICTION WITH RESPECT TO THOSE CONTRACTING PARTIES (Nations) WHICH SHALL HAVE ACCEPTED ITS JURISDICTION."

Now, as previously stated, in all their announcements, the UN piously proclaimed that the sole objective of the "Genocide Treaty" was to prevent MASS murder of "Minority Groups", always stressing Hitler's murder of the "SIX MILLION" Jews. But, as we go through all the fine print in the Treaty, we find that you wouldn't have to participate in the mass murder of an entire "minority group" to be guilty of "Genocide" — you'd be just as guilty if you participated in the killing of just one member of such a group . . . then, lo and behold, we discover that you wouldn't have to even go as far as killing to be guilty of "Genocide", for if you caused "physical or mental injury" to a "minority group" member you would be just as guilty of "Genocide" as if you had killed "six million" Jews or Negroes — (Jews and Negroes are the only "Minority Groups" the UN seems to be protecting — Arabs don't count).

In other words, under that provision, if you got into a fist fight with a Jew or Negro and he suffered a black eye or a bloody nose you'd be guilty of "Genocide" . . . or, if, in an argument with a Jew or a Negro, you mentioned the word "kyke" or "nigger" you would have caused him "mental anguish", and that "anguished" minority group member could bring a charge of "Genocide" against you. Thereupon, under the "Genocide Treaty" provisions, the UN could pluck you out of your home and ship you out of the U. S. for "trial." That "trial"

ut they will continue to commit that treason until we, the American people, stop them!

There is only one way to stop them — remove them from the high offices that enable them to commit that treason, via **IMPEACHMENT!** The impeachment proceedings and hearings will establish whether they are innocent or guilty.

Our Constitution states that:

"The President, Vice President and all civil officers of the United States shall be removed from office on impeachment for, and conviction of, Treason, Bribery, or other high crimes and Misdemeanors."

The Constitution defines TREASON against the United States to . . . "consist of levying war against them (the US), or in adhering to their Enemies, and for **GIVING THEM AID AND COMFORT**" . . . it also declares that . . . "Congress shall have the Power to declare the punishment of Treason" . . . whether committed by a President, a Vice President, a Senator, or a Supreme Court Justice!

And in Article One, Section Three, the Constitution states: "The Senate shall have the sole power to TRY all Impeachments . . . Judgment in Cases of impeachment shall not extend further than to removal from Office and disqualification to hold and enjoy any office of Honor, Trust, or Profit under the United States . . . **BUT THE PARTY CONVICTED SHALL NEVERTHELESS BE LIABLE AND SUBJECT TO INDICTMENT, TRIAL, JUDGMENT AND PUNISHMENT, ACCORDING TO LAW.**"

Fellow American, the United States belongs to the American People, not to the men to whom WE have given their high offices. Repeal of the **CONNALLY AMENDMENT** would be High Treason to the U. S. and the American people . . . and every individual who attempted it must be tried in accordance with the rulings of our Constitution! . . . and it is the sacred duty of ALL loyal Americans to our

Country — and to their own children — to **DEMAND** such action from their Senators and Representatives.

And to these Americans who insist that Eisenhower "can do no wrong", we say: **LET CONGRESS DECIDE IT** — the way our Constitution tells us to have it done.

NOTE: A complete exposition of the entire "World Court" plot, and the dire consequences of the repeal of the "Connally Amendment", can be found in the CEG "News-Bulletin" No. 73, by Myron C. Fagan. You can get a copy of this startling book by sending Fifty-Cents to "Cinema Educational Guild, Inc."

Every member in both Houses of Congress has a sworn obligation to protect and defend the United States, the Constitution, the American people . . . Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to fulfill their oaths — to summon forthwith for proper trial all those named herein who collaborated in the plot to repeal the **CONNALLY AMENDMENT.**

All those who attempted — and are still plotting — to repeal the **CONNALLY AMENDMENT** . . . read — and digest — the following and you will see why it is a **MUST.**

DECLASSIFICATION AUTHORITY DERIVED FROM:

FBI AUTOMATIC DECLASSIFICATION GUIDE

DATE 06-31-2010

In 1945 the INTERNATIONAL-COMMUNIST conspirators set up the UN ("UNITED NATIONS") to be the crux of their plot to create their ONE WORLD GOVERNMENT — but particularly to transform the United States into a unit of that One-World Government . . . because as long as the United States remains free they can never achieve their plot !!!

The UN CHARTER, when it was ratified by the U. S. Senate (in July 1945), became the "TREATY" that made the U. S. a member of the UN.

That CHARTER was written by ALGER HISS and Moscow's MOLOTOV and VISHINSKY . . . nevertheless, with one or two exceptions, our Senators ratified that CHARTER without reading it! Why? . . . We don't know — but that is how it was done!

In that CHARTER the conspirators inserted several crafty provisions — provisions that were to enable the UN to transform itself into a ONE-WORLD GOVERNMENT — and to transform the U. S. into a unit of that "government" . . . without the American people knowing it, or realizing it, until it was a fait accompli — and from which we could not pull out !!!

### Why We Could Never Pull Out!

One of those Charter "provisions" authorized the UN to set up its own "SUPREME COURT", to be known as the "International Court of Justice" (World Court). That "Court", answerable only to the UN, is comprised of one American and FOURTEEN Foreign and COMMUNIST Justices — all appointed by the UN, without approval by the U. S. . . . Ostensibly, this "Court" was to have jurisdiction only of International affairs, but analysis of the fine print in that provision establishes beyond any doubt that it could assert complete jurisdiction over our immigration laws, our tariffs, interstate commerce, the Segregation question, all "Minority Group" disputes, our control of the Panama Canal — in short, of all our

Domestic affairs, as well as Foreign — and there could be no appeal from its "Decisions" !!!

Furthermore, any American charged with "transgression" of any "World Court" Law could be taken out of this country for trial in The Hague, or in Paris, or in Bombay, by a Tribunal designated by the "World Court" — and he could not appeal to our Constitutional Laws—or be defended by an American lawyer — and the United States could do nothing about it . . . and GET THIS: the jurisdiction of the "World Court" would include . . . "the trial (under the above conditions) of individuals and private organizations accused of offenses against the UN Charter" . . . and, of course, criticism would be an "offense" !!!

And there you are — that's why, once we'd be engulfed, by "World Court" DECISION, in the UN One-World Government we could never pull out . . . who would dare to commit the "offense" of protesting?

### "Connally Amendment" Saved Us!

Fortunately, all such "provisions" have to be individually ratified by our Senate. So, in November (1945) Sen. Wayne Morse submitted a "Resolution" whereby the Senate would authorize our Government to accept complete and COMPULSORY jurisdiction of the UN's "World Court" — and on December 17, Congressman Herter (now Secretary of State) submitted a similar "Resolution" to the House . . . and again the Senators were about to ratify that "Resolution" without reading it!

But, by the grace of God, Sen. Tom Connally DID read it — and saw in it the complete surrender of the U. S. to the UN, via the future "DECISIONS" of the UN's "World Court" !!! And, in the nick of time, he quietly insisted upon the addition of six little words that were to protect the United States from the "World Court" future "DECISIONS" — those

"six little words" were : . . . "as determined by the United States."

And THAT is the Connally Amendment . . . it is the only thing that has kept — and is keeping — the United States from becoming an enslaved province in a United Nations "One-World Government".

Yet, our President, Dwight D. Eisenhower, DEMANDS that the Connally Amendment, our only safeguard, be repealed . . . Vice President Nixon, U. S. Attorney General Rogers, Secretary of State Herter and Senators Morse, Humphrey, Javits and Clark demand that it be repealed — that the "UN World Court" be granted full and COMPULSORY jurisdiction over the U. S. and the American people !!!

Well, REMEMBER THIS WARNING: If the Connally Amendment will be repealed, nothing under the sun will prevent a "World Court" DECISION that will transform the UN into a "One-World Government" — and then . . . in order to give the UN the "POLICE FORCE" it will need to enforce PEACE . . . there will be more "World Court" DECISIONS that will require (polite word) the U. S. to transfer (surrender) our Armies, our Navies, our Air Force our Nuclear weapons to the UN . . . exactly in line with Eisenhower's "Disarmament" program — and his plans to "strengthen the United Nations" !!! . . . And that would mean the end of our Constitution, of our Bill of Rights, of our Declaration of Independence — the end of a free United States and a FREE American people!

Dwight D. Eisenhower KNOWS all that — Nixon, Rogers, Herter, Morse, Clark and Humphrey KNOW it . . . they KNOW that they are betraying their oaths to protect and defend our Constitution — that they are betraying the American people . . . they KNOW that repeal of the Connally Amendment will open the gates of America to the Enemy, exactly as Quisling opened the gates of Norway to Hitler's Nazi hordes . . . they KNOW that it is TREASON —

decision in San Francisco... Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about "rights" and "terms of the Charter". Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — he also confirmed its permanency! After that, says Mr. Lie, "... it would not have been politic for me to resist that (secret agreement) accord."

He then reveals what little authority he had in all such matters, even in the choice of the Russian to fill that all-important post, although, under the Charter, he alone had that choice... when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that "he (the Kremlin) had already assigned Arkady Sobolev to that post — and Mr. Lie (admittedly) realized that "his was not to reason why, his was but to obey — OR GET FIRED!

### WE NOW HAVE THE PROOF !!!

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing... simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history — evidence that that "secret agreement" MURDERED 145,000 American boys in KOREA! — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly

investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless "the people" DEMAND that they act — and the people won't DEMAND until they know what to DEMAND. Senator Jenner said: "Our problem is to get the story to the people" — so that they will KNOW what to demand.

YOU can solve that problem with this Tract — coupled with Tract No. One!

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

1959 - UN TRACT No. 2 - 1959

## THE TRUTH...

as revealed

by TRYGVIE LIE

DECLASSIFICATION AUTHORITY DERIVED FROM:  
FBI AUTOMATIC DECLASSIFICATION GUIDE  
DATE 03-31-2000

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

The most startling of all the charges was that secret agreement between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist !!! Now, under the Charter, "little wars" to prevent Communist aggression (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee! GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee !!!

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGRESSIONAL RECORD", and demanded that the UN be hauled up for a thorough (open to the public) hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get "the people" to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we quoted sections of "U. S. Government (TOP SECRET) Bulletins" which OFFICIALLY confirmed all those charges . . . Those TOP SECRET Bulletins confirmed that the UN gave MOSCOW'S Gen. Vasiliev a "leave of absence" from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES !!! . . . Those Bulletins PROVED that ALL

the American boys who died in Korea were MURDERED by the UN — as a result of that Hiss-Molotov secret agreement !!! . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese !!!

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washington . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — and that would mean the end of the UN !!! . . . And then the State Department came to the rescue of the Conspirators — they issued an "official statement" in which they denied our charges — and virtually proclaimed that their own original "U. S. Government (TOP SECRET) Bulletins" were falsehoods. And, promptly, the UN and ALL the UN Fronts — and the State Department — flooded the nation with that false and misleading "official statement"!

Now, get this point: in their denials, those "official statements" never once named the "charges" they denied — they operated on the theory that if they could cast a doubt on any one charge it would discredit all charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce DOCUMENTARY evidence that such an agreement had ever been made!

That strategy worked perfectly! And why not? After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely they wouldn't be guilty of deliberate falsehoods! Oh, no? Anyway, "the people", confused, believed

them. The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygve Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit — maybe to clear his conscience. Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his (verbatim) statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Security Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr. Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "... by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won

(Captioned) The Truth About Soviet Involvement in  
the Korean War; (marked "TOP SECRET")

"In the interest of throwing further light on the  
facts of Soviet participation in the Korean war, and  
on the Chinese record in Korea, the Department of  
Defense has released two special studies on these  
subjects . . . these studies establish beyond any  
reasonable doubt the true nature of Communist  
aggression against the Republic of Korea, the Soviet  
and Chinese Communist support of, and participa-  
tion in that aggression, and the BLUNT TRUTH about  
the internal and external manifestations of Commu-  
nist control in North Korea . . . Many Russian  
'advisors' were attached to the North Korean Army  
advance headquarters established in June, 1950.  
They wore civilian clothing, and it was forbidden  
to address them by rank. They were introduced as  
'newspaper reporters', but they had supreme au-  
thority. They took the lead in commanding and  
manipulating troops. They treated the North Korean  
officers, who were nominally their chiefs, like their  
servants, or children. A North Korean Major iden-  
tified two of these Russian 'advisors' as GENERAL  
A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he  
said, was in charge of all movements across the  
38th parallel."

#### MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even  
if the Red Chinese swarmed across the Yalu into No.  
Korea in overwhelming hordes, even if they  
slaughtered UN soldiers by the thousands on the  
battlefields and in the prisoner of war camps the  
U.S. Government would not retaliate. And the Red  
staging and supply area in Manchuria would remain  
a sanctuary! . . . The U.S., BY ORDER OF THE UN,  
did not retaliate - Manchuria remained a Red's  
sanctuary throughout the war - and 145,000 Ameri-  
can boys were maimed and MURDERED in Korea!!!

#### Do We Need Any More Proof?

By their silence the UN admits GUILT! It is now  
up to Congress to act! But Congress won't act, unless  
the people FORCE them to act. Senator Jenner said:  
"Our problem is to get the story to the people" . . .  
the people, only the people can FORCE Congress to  
act.

YOU can solve that problem - with this Tract.  
You owe it to America - and to your own chil-  
dren - to SPREAD this Tract far and wide. Buy what  
you can afford and give them to: Veterans Organi-  
zations - Civic Organizations - Clubs. Give them  
out where you work - give them to your Pastor  
for distribution - enclose a copy in every letter you  
write.

It is up to YOU and every loyal American to DE-  
MAND that Congress put the UN on open trial be-  
fore both Houses!

Send signed copies of this Tract to your Congress-  
man and Senators - tell them if they won't do it,

RITA ("Thieves' Paradise") . . . "All the American  
Boys who were killed in Korea were really murder-  
ed by the UN"

On Sunday evening, May 20, 1956, Myron C.  
Fagan's play "Thieves' Paradise" opened at the  
Shubert Theatre in Washington, D.C.

The play was written for just one purpose - to  
warn the American people that the YALTA plotters  
created the UN to destroy the U.S. and transform  
our country into an enslaved unit of a Communist  
One World Government . . . It was produced in  
Washington so as to put the UN on open trial before  
all the Members of Both Houses of Congress - from  
now on there can be no "I didn't know" alibi!

"Thieves' Paradise" revealed all the different  
phases of the diabolical plot - how the UN was a  
"Trojan Horse" sneaked into the U.S. to serve as a  
Sanctuary for Red Spies, Saboteurs and American  
traitors . . . how it was to destroy our Freedoms  
through "Treaties," such as "GENOCIDE" . . . to  
brainwash our Youth through UNESCO . . . to drain  
us of our wealth through UNRRA, "Marshall Plan"

and Foreign Aid give-aways . . . and to finally transform the U.S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force. But there were men like Syngman Rhee and Chiang Kai Shek who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN Military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygve Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces!?"

"STEFAN:— Exactly! That's what happened in

Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly. — nods) And, Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they didn't dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1951 . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary. The same UN records show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him sole command of all UN military affairs! 11

### Confirmed by U.S. State-Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) "Special agreements under article 43 of the United Nations Charter" (marked "TOP SECRET"), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygve Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations. . . . These Armed Forces shall be made available from the best trained and equipped units of Member Nations of the United Nations . . . and (under UN Regulations) "all of the Armed Forces thus to be provided shall be deployed as directed by the Chairman of the Military Staff Committee of the United Nations" . . . AND, RED ARMY GEN. VASILIEV WAS THE CHAIRMAN !!!

Here you have the names of 200 of the most rabid REDS and Fellow-Travelers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

## AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", **don't you believe it**—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the  
Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT  
OF YOUR (TV)  
LIVING ROOMS —  
OUT OF RADIO —  
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD.

62-87267-477

ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. The Hollywood Moguls frantically denied everything. That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook! — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all-tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the Charlie Chaplin pictures are on the Screens again!— and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

### TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes ! ! . . .

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

### Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . Hit the pocketbooks of the Sponsor ! ! ! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

Dear Mrs. [REDACTED]:

Your letter of April 8, 1961, with enclosure, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of assistance to you, the files of the FBI are confidential pursuant to regulations of the Department of Justice and are available for official use only. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or do not have data relating to the subject of your inquiry.

The pamphlet you forwarded has been brought to our attention on a number of occasions. It indicates that statements found therein are documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Incorporated, nor its national director, Myron C. Fagan, has ever had access to information contained in the files of this Bureau.

Enclosed is some material on the subject of communism which may be of interest, and I am also returning your enclosure.

Sincerely yours,

Without preamble, because I know you must receive many requests such as this, but also because I should very much like to have your evaluation of this brochure, I send it to you for that purpose.

This could be from the Communists themselves or the Birch Society or from some one who is genuinely concerned, but I must be sure which one it is!

NOTE: Chet Huntley is a well-known television commentator. He was the subject of a security investigation in 1950 which failed to develop any indication of Communist Party membership or affiliation with any front groups. (100-378033) The Bureau has recently conducted a special inquiry for the White House on Edward R. Murrow, recently appointed as director of the United States Information Agency. Investigation revealed that Murrow has associated with individuals who have been the subject of security type investigations. He has been criticized for having slanted his broadcast and programs while with CBS. A number of individuals would not recommend him for a position with the Government; however, others highly recommended him. Enclosure was a pamphlet concerning 'Reds' in Hollywood and TV which has come to the Bureau's attention in the past. Dear Mr. Hoover:

I am greatly concerned about what the Communists have done and are doing in our United States. Enclosed is a copy of the tract "Red Stars-No. 3." It lists many famous movie and TV personalities and brands them as "200 of the most rabid REDS and Fellow-Travelers." Two of the most prominent people listed are NBC newscaster Chet Huntley and the newly appointed head of the United States Information Agency, Edward R. Murrow.

Are either or both of these men Communists? I will appreciate any information you can furnish. If these men (or any others on the list) are Communists, I would like to know it; if they are not, I want to know that too. I do not want to falsely malign anyone's character, but if such prominent people are known Communists, I believe the public should be made aware of the fact.

I realize that your files are probably confidential and that you may not be able to give information about individuals. I will appreciate any information you can give about any individual listed in the tract or any information about the group (listed in the tract) as a whole. If you are not permitted to give such information but know where I can get it, please tell me.

Sincerely,

Dear Mrs. [REDACTED]:

I have received your letter dated April 11, 1961, with its enclosure, and your interest in writing to me is appreciated.

While I would like to be of assistance to you, the jurisdiction and responsibilities of the FBI do not extend to furnishing evaluations or comments concerning the character or integrity of any individual, organization or publication. Furthermore, a regulation of the Department of Justice prohibits the disclosure of information in our files to other than appropriate agencies in the executive branch of the Federal Government. I am precluded, therefore, from furnishing the information you desire; however, you should not infer that our files do or do not contain data of this nature.

The pamphlet you enclosed with your letter has been brought to my attention on a number of occasions. Some of the recent issues of this pamphlet have included a statement that the procommunist records of the individuals named therein are documented in the files of the FBI. It may interest you to know that the Cinema Educational Guild, Incorporated, and its National Director, Myron C. Fagan, have never had access to information in the files of the FBI in the preparation of any material distributed by that organization.

Here you have the names of 200 of the most rabid REDS and Fellow-Travelers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

## AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the  
Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT  
OF YOUR (TV)  
LIVING ROOMS —  
OUT OF RADIO —  
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

62-87267-482

*Is this source reliable?*

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That **ROCKED** the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed **THOUSANDS** of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "**never again would they employ any REDS**" — that "**never again would they produce RED-propaganda films**" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget**. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, **TELEVISION** became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify **MARXISM—ONE-WORLDISM—DESEGREGATION!**

In short, **TODAY** the REDS are back in Hollywood stronger and more brazen than ever — even the Charlie Chaplin pictures are on the Screens again!— and all the honors, including the "Oscar", have been restored to them . . . all because the people have **forgotten!**

### TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — **by the Hollywood Reds!** **RIGHT NOW** all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set**, they are being piped into your Living Room—and are brainwashing and poisoning **your children right under your very eyes!** ! ! !

**YOU** can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again **FORGET** that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room **VIA YOUR TV SET** you will be helping Moscow and the **INTERNATIONALISTS** to destroy America ! ! !

Among the worst offending Sponsors are **FORD MOTORS** (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

### Here is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and **FELLOW-TRAVELERS** who made our **SCREEN** Communism's most effective "Pied Piper". They are now coming into your Living Room night after night **VIA YOUR TV SET** and Radio. . . . **WATCH FOR THEM!** . . . Keep this list with you **ALWAYS!** . . . When one of them appears on your SET send a copy of this Tract to the **SPONSOR** immediately—and **WARN** him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . **USE THE SAME METHOD WITH YOUR MOVIE THEATRE!**

Dear Miss [REDACTED]:

Your letter dated April 7, 1961, and enclosure have been received.

Although I would like to be of assistance to you, the files of the FBI are confidential pursuant to regulations of the Department of Justice and are available for official use only. Enclosed is material on the subject of communism available for general distribution by the FBI. Additional copies of these reprints can be sent you without charge, if desired.

Sincerely yours,

Dear Sir:

As a college student, majoring in education, I recently came across the enclosed list of "Un-Americans"—or supposedly so—put out in the pamphlet entitled, "Let's Keep the Reds Out of Hollywood". I am writing to ask if you consider this an authentic list, and if you consider them pro-communist? Any information I can obtain will be presented before the entire student body at Frank Phillips College.

I enclose a stamped, self-addressed envelope for your reply.

Sincerely yours.

Gentlemen:

A friend of mine was TDY to Kelly AFB, Texas and during that time, a civilian passed these pamphlets out. The civilian is supposed to be working with intelligence at that base.

I'm astounded by the accusation this pamphlet makes towards our entertainment world. Is this thing true or is it a cleverly worked up Communist Front?

If this is a Communist Organization I certainly hope something can be done about this. I would appreciate an answer to this letter, letting me know if this is true.

Sincerely,

Dear Mr. [REDACTED]

Your letter dated April 10, 1961, has been received, and I was interested in having the benefit of your observations and comments.

I would like to be of service, but information in FBI files is confidential and available for official use only, due to regulations of the Department of Justice. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or that we do not have data in our files concerning the subjects of your inquiry. No suggestions come to mind where you can secure information along such lines.

You make reference to a publication frequently brought to our attention in the past which contains a statement that the procommunist records of the individuals named therein are documented in the files of certain Government investigative agencies. For your information, neither Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has had access to data in our files in the preparation of their publications.

With regard to your request for certain definitions relating to communism, I would like to suggest that you may be able to secure from your local public libraries a copy of my book entitled "Masters of Deceit," and your attention is directed to Chapter 6. Therein I have discussed the hardened Communist Party member, as well as Communist Party sympathizers and fellow travelers, describing how they operate within the communist apparatus.

April 10, 1961

Federal Bureau of Investigation  
Washington, D. C.

Gentlemen:

Would you please answer some questions that have been bothering me for some months now? Many friends and acquaintances of mine have become quite concerned about the menace of Communism in America, primarily, I think, because of certain groups that have sponsored forums on Communism, published pamphlets accusing certain Americans of being Communists and Fellow Travelers, and other societies that claim to be champion Communist fighters. I, too, am concerned about the Communistic menace but I firmly believe that the job of investigation and accusation and the study of the Communist menace is a job of our government, specifically the FBI.

I particularly am interested in getting factual information to confirm or deny a tract published by Cinema Educational Guild, Inc., P. O. Box 46205, Hollywood 46, California. I am sure that you are familiar with this tract, which states that the Pro-Communist record of every person named in it is documented in the files of the House Un-American Activity Committee, in the California State Senate Fact Finding Committee, and other government investigating agencies. It seems that others have tried to get this information from you, from the House Un-American Activities Committee, and from their Congressmen - all to no avail. If you cannot furnish me the information that I am requesting, I would appreciate very much your telling me where I can get such information.

ARE Would you please tell me whether or not the following named persons <sup>WHO</sup> were listed in the tract, "Red Stars - No. 3" and what this tract claims them to be: ~~Lloyd Bridges~~, ~~Bennett Garf~~, ~~Chet Huntley~~, ~~Burl Ives~~, ~~George Jessel~~, ~~Edward R. Murrow~~ and ~~Keenan Wynn~~? *45-*

Further, would you please define for me (a) "A rabid red", (b) fellow traveler, and (c) "The Red Conspiracy in Hollywood and in Television"?

The above requested information would certainly be appreciated by me.

Mr. Hoover,

A few days ago, I was introduced to a publication published by the "Cinema Educational Guild, Inc," in Hollywood, Calif. In this publication was some very striking statements as to the workings of the Communist Party in America, past and present. All of this in connection with the "Internationalist Communist Conspiracy" in America. Starting with men such as Woodrow Wilson and Franklin Roosevelt, they condemn Douglas Dillon, the Carnegies, Drexels, Harrimans and Rockefellers for some of their work, George Marshall, Eisenhower (for his support of the "World Court" and the Suez Canal, Nixon, Rogers, Herter, Dean Acheson for his support of the "Genocide Treaty, Rusk, for his actions during the Korean War; Stevenson for his stand on "Red China," Chester Bowles in the "so called" secret betrayals of YALTA, Goldburg, Robert C. Weaver, because of his membership and leadership in the N.A.A.C.P, and last but not least, J.F. Kennedy.

Mr. Hoover, the things mentioned in this paper paint a picture of America as being on the edge of overthrow. Many people seem to think that our news mediums are communist controlled. After observing the local newspapers for a short time, I find that many important subjects are not printed. Printed material in the U.S. is covered by laws which are supposed to protect us. If some of the things which I have mentioned are not true, how can they be printed? On the other hand, the people of America should know some of the facts.

The point I'm trying to make is that the American is in very serious trouble, the people should be alerted somehow. If these are lies being printed, then the people should be protected against them. If they are lies, and enough people believes them, then America could easily fall. The American people are in the middle. They need help! They must know what's going on!
